> ed, by Ben. Perley Poore, in a recent number of the Philadelphia Times: It has been no secret that many ladies in society here of late years have smoked more or less cigarettes. This winter the practice of snuff dipping winter the practice of snuff dipping has found great favor among the fair sex, and many genteel and high-bred ladies in society have indulged in it. Each snuff dipper has her bottle and cared my mother who has had neuralgia swab stick, from and by which she all her life and also rheumatism. She says conveys the filthy dust to her lips. The article used for this repulsive be without a bottle for twice the price. I The article used for this repulsive purpose is the old fashioned yellow gave a bottle to my brother who had neural stated and it fixed him in a Scotch snuff, of which four times as much is consumed in this way by the women of this metropolis than for the titillation of the olfactory organ by all the snuff-takers of both sexes. ed upon a woman it is said that she rarely, if ever, is able to shake it off.
