"NEARLY CRAZED with pain" is the sad cry of many a victim of rheumatism or neuralgia, and frequently other diseases, such as kidney and liver complaints, are directly traceable to rheucomplaints, are directly traced diseases, for matism or neuralgia. These diseases, for some unexplainable reason, are rapidly in-

creasing, and in many instances are the direct cause of much sickness which so hides its real origin as to be mistaken for other diseases. In curing rheumatism, neuralgia, sick headache, and in many cases of kidney and liver troubles, Athlophoros has wrought wonders. Those who have used it are best qualified to speak of its merit.
