A STARTLING PACT. It is not commonly known that a large proportion of the rheumatism and neu-ralgia extant is traceable directly to the diseased condition or imperfect action of the kidneys and liver; therefore a remedy which cures the resulting disease must have found and smitten the first cause. Many persons using Athlophores for rheumatism and neuralgia have been surprised to find that chronic disorders of the liver and kidneys have also been greatly relieved and they have written for an explanation. The fact is, that the remedy acts directly on these organs, cleansing them from all irritating substances and regulating their action. Taken in connection with Athlophoros Pills this is, without exception, the most valuable kidney and liver remedy in the world, and will cure a large proportion of those who
