After suffering for nearly two years with a continuous attack of rheumatism; after trying almost every specific, domestic and or a fool, might lead one to trust in, it was a double pleasure to me to find a remedy which, originating in the famous "City or Elms"—the home of my ancestors and its first founders—has proved so invaluable a blessing. It is nearly six months since I was led to trace out the significance of that word Athlophores. It has proved to me, in a good degree, a renewer of my former vigor and strength, so that I have been enabled to move about with almost youthful activity, and to feel, while approsching my "three score years and ten," that I have a new hold on him. I believe that it has its origin in the blood, and that your remain touches those joints and muscles, loosening the nodes, which have been brought into subjection to this dreadful disease, and sets them free as no other remedy that I have tried. I have been cautious for so long a time in recommending it to others till I had tried its efficacy in my own case; and I am now free to state the estimate I put upon it, as the sufest and most efficient ours I have any knowledge of.
