RUSHING TO DEATH in the attempt to swim the Niagara Whirlpool Rapids is no more reckless or dangerous than to trifle with disease which each day secures a stronger hold and hastens the end of life. This is specially true of rheumastism, neuralgia, sciatica, and nervous headache, which though perhaps slight at first are ex-tremely dangerous, and steadily secure a firmer grip until at last the agony is unendurable and sudden death brings relief. These diseases can be cured by the use of Athlophoros which, in connection with Athlophoros Pills, never fails when prop-erly used. Read the following from those
