GENUINE AND ABSOLUTE CLEARING SALE SURPLUS STOCK ODDS & ENDS

We want to get rid of our surplus stock. We want to get rid of odd lots. We want to get rid of broken sizes. We want to get rid of all the ends and remnants that have accumulated in our store during the past Transact a general banking busi-spring and summer season. Calculating the real cost of these goods we find them to be

WORTH ABOUT \$11,300.

ROUND SUM OF \$8,000.

With this end in view the price of each garment, although marked down previously, will undergo an additional reduction. Surely no man should fail to embrace this best of all opportunities to make advantageous purchases. If you doubt our statement in the slightest, we ask you to come in and see the plain figures marked on the ticket of each article. This will likely convince you of the truth of this special sale of odds and ends.

ODDS AND ENDS IN MEN'S SUITS.

There are altogether about 500 suits, representing over 50 different styles and patterns, any size among them. We have divided these suits according to quality, into three different lots which we will offer at

\$5.00, \$8.00 AND \$11.25.

Our \$5 lot, would cost not less than \$8, while many suits would be considered bargains at \$9. Our \$8 lot is one we recommend for dress suits and all others whose calling require a nest appearance, former prices ranged from \$11 to \$14. Our \$11.25 lot contains nothing but fine, imported dress suits, sacks and cutaways; stylish dressers should come in and see these goods; for

mer prices \$15 to \$17. ODDS AND ENDS IN BOY'S SUITS,

Gives every father and mother a chance to "rig him out" in a first-class suit for one-half the money it's worth. If your boys wear knee pauts suits be sure and look at our broken sizes of these garments. The suits we will close out at \$2 50 and \$3, were marked originally \$3.50 and \$4.75. If your boys wear long pants suits it will pay you to secure and pick your hoice of the rather limited assortment of \$5 and \$7 suits at \$3.50 and \$4.50, \$8 and \$10 suits at \$5 and \$6.25.
