# GENUINE AND ABSOLUTE CLEARING SALE SURPLUS STOCK ODDS & ENDS.

We want to get rid of our surplus stock. We want to get rid of edd We want to get rid of broken sizes. We want to get rid of all the lots. ends and remnants that have accumulated in our store during the past spring and summer season. Calculating the real cost of these goods we find them to be

### WORTH ABOUT \$11,300.

But totally ignoring their true value, we have concluded to close them out for the

### **ROUND SUM OF \$8.000.**

With this end in view the price of each garment, although marked down previously, will undergo an additional reduction. Surely no man should fail to embrace this best of all opportunities to make advantageous p chases. If you doubt our statement in the slightest, we ask you to come in and see the plain figures marked on the ticket of each article. This will likely convince you of the truth of this special sale of odds and ends.

### ODDS AND ENDS IN MEN'S SUITS.

There are altogether about 500 suits, representing over 50 different styles and patterns, any size among them. We have divided these suits according to quality, into three different lots which we will offer at
