On the other hand, very few disinterested men among the many inst., contains the following from who do form an opinion really from Lebanon. Last night two men with one that could not be changed by the evidence, and an opinion of this character is not likely to be hold by a news-naper reader.

the whole country as soon as possible. The jury system needs it. Phil-

Blonde and Brunette. It has been asserted that there has room assisted Mr. Brubaker, but been a gradual decrease of blondes fore doing any harm he was shot in Germany. Almost eleven million school children were examined in Germany, Austria and Belgium, and the result showed that Switzerland has only 11.10. According to the result showed that Switzerland has only 11.10. According to the result showed that Switzerland the same covered with his cord. the result showed that Switzerland has only 11.10, Austria 19.79 and Germany 31.80 per cent. Of pure blondes. Thus the country which since the days of ancient Rome has been proverbially known as the home of the yellow hair has to-day only thirty two pure blondes in 100, while the average of pure brunettes is 11 brought to tie the family, were left.

Mr. Brubaker and the burglar the other man covered with his revolver Mrs. Brubaker and the children, but in the excitement the girl escaped from the room and alarmed the neighborhood. In the struggle both had their handkerchiefs forn from their faces, which, with the twine they had the average of pure brunettes is 11 the average of pure brunettes is 14 brought to tie the family, were left behind. Both spoke English and wife of Henry Singmaster who was an enthe average of pure brunettes is 14 behind. Both spoke English and per cent, and in some regions rises German, and are supposed to be as high as 25 per cent. The 53 per training business man in this county, a state or county tax, which shall have been assessed at least two months, and paid be undergoing a transformation into to his bed, having two holes in his of Rev. Mr. Graiff. From Mr. Graiff's place shall be amended, so as to read as follows be undergoing a transformation into pure brunettes. Dr. Beddoe, in Eng land, has collected a number of statistics which seem to point in the same direction. Among 726 women to the same direction. Among 726 women of the same direction. Among 726 women ional, that makes a track as large as he examined he found 369 brunettes neighborhood was out in force after a barrel. It is believed to be the head and 357 blondes. Of the branctes made the desperadoes have not been ried, while of the blondes only 68 per captured. The kitchen floor was cove found that 78 per cent, were marcent were married. Thus it would ered with blood and presented a terseem that the brunette has ten Brubaker is about 62 years of age, Texas, on the 14th inst., for the mur | chances of getting married in Engder of Albert Williams. Giles con- land to a blonde's nine. In France plunder, fessed the murder and in a patroniz a similar view has been put forth by fessed the marder and in a patroniz M. Adolph de Candolle.
