Returns from India, indicate that all the wheat raised in that country this year will be needed at home, and that settles it, that the British will not be able to sell wheat in America in 1888 at 40 cents a bushel. There is a prospect of a rise in the price of wheat between this time and next harvest.

The high jinks that was gotten on Mr. John N. Howe, that he should be elected to the office of County Treasurer on the merit of being a town man is a sort of a boomerang that has sprung back on itself, and will result in making a town man of countryman Shellenbeger. Very well, such countrymen as Mr. Shellenbeger are welcome, and will be elected.

Mr. Howe was no better countryman before he moved to town than is Mr. Shellenbeger. Last Wednesday, Kirby Keller, of Walker township, while helping to move a hand car loaded with 2000 pounds of steel rails, for new track at Van Dyke station, was struck by the car, the wheels of which passed over his right leg, between the ankle and knee-joint, breaking one of the bones of the leg and puncturing the flesh of the limb. He was brought to this station on an engine. Surgical attention was rendered by Dr. M. Crawford and Son.

Our contemporary the Democrat and Register, is at its job again, in putting Anson B. Willis on the back, as if it encourages him to vote against Mr. Meninger, because Meninger secured the nomination for Prothonotary. It won't win, Anson knows a good thing when he sees it, and he sees that a handsome vote he received at the Primary Election, and he could not bring himself to offend that support by opposing Mr. Meninger. The Democrat and Register thinks jokes are free in harvest.

John Meyer, a sickly youth, aged about 21 years, son of John and Lydia Meyer of Harrisburg, in the effort to get off Local Freight at this station while the train was running last Thursday, breaking one of his feet. The stroke on the shoulder which he had about and caused him to slide far enough under the cars for the break to strike his legs, thereby turning him around so that some part of the truck struck his head breaking it, and causing death within a period of five minutes. A few days previous to his death he was in this place visiting friends and selling paper. Upon the order of the railroad company, W. F. Snyder had the remains nicely coffined and sent to Harrisburg by Sea Shore on Friday for interment.

On the afternoon of the 17th inst., Mr. Emanuel Meyer, living on his farm near this place, was engaged in his barn, turning his lockwork. His son John was helping him. About 6 p. m., John went to the stable to attend stock, wanting a fork that had been left on stairs on the barn floor, he sent his nephew Guy Meyer to get the fork. The child found his grandfather lying sick on the straw. Mr. Meyer was able to speak. His family took him to the house, where he related to the family that his horse is done and expects leaving the railroad and go to jacking in the spring.

Gus Neff took to himself his better part in person of Miss Mary Zimmerman by turning her work for the big coats. About McVeytown the potato crop seems to be extremely scarce, it being almost impossible for our citizens to purchase what they will need to carry them over the winter.

There was almost blood shed on the corner of the diamond in McVeytown, last Monday evening, when a woman brandished an axe handle and threatened to cut one of our young men in two. Parties interfering no doubt saved the young man a severe blow, as the woman had blood in her eye. As Cal. Meyer was threshing clover seed at his residence the other day, some boys turned on the water of his engine, and the threshing machine was thrown into the stack of chaff, which took fire and burned together with the belt that ran the machinery. He was firing with dry chestnut wood. The machinery was not damaged.

Wanted.  
Three educated young men and two ladies. Will pay good salary. Address, Lock Box 519, Lewistown, Pa.
