The death of Kaiser Wilhelm, ex-Gov. Hoffman, Banker J. W. Drexel, Lieut.-Gov. Dorshelmer, Dr. Carpenter, Chief-Justice Watte and Genl. B. H. Brewster, in quick succession, and all from the same cause although having different names, is startling. March and April are fatal months,

many diseases more disguised but none States and Territories, from Kentucky Gov Hoffman had heart disease, Gov.

and dies in four days of pneumonia. fate and he was apparently the person- nat gives a very good list of the derivaification of vigor.

Drexel, the Philholelphia banker, and

Brewster, Ex-Atty, Geni, were siddenly cut off in the most of great us-fulness, ty Bright's disease, and Dr. Carpenter, the well-known New York physician, suddenly died of Kainey disase, never having suspected that he was troubled therewith.

This reminds us of the case of Dr. Frank Hawthorn, of New Orleans. He was lecturing before the Louisiana university on the peculiarly deceptive character of Kidney disease and the methods of miscroscopical and chemi-

After having shown specimen after specimen of diseased fluids, and made very clear the point that kidney discase may exist without the knowledge or suspicion of the patient or pracner with eraclous self-confidence he remarked, "Now, gentlemen, let me show you the healthy water of a strong, 1 well man, 13

He applies the test!

He staggers. Gentlemen. I have made a terrible discovery! "he gasps," I myself have the fatal Bright's disease!" In less than a year the specialist of he commonest and most fatal of diseases was dead. He was a victim of advanced Kidney disease the presence of which

in himself he had never suspected! ease, including tamous mineral waters, eured himself by Warner's Safe Cure, and March 2t, 1885, wrote: "I have briquet is "Prairie State;" also "Sucker briquet is "Prairie State;" also "Prairie State;" als

meyer had the sightest symptoms of my shi and fearth trouble."

Min. John S Deriviniant, of Concord, N. H., was given up with Bright's disease by the best physicians in 1879. He was in State," the best physicians in 1832. He was in a direadful state. After using and being cursel in 1881 by Warner's Safe Cure, in 1887, he wrote: "I am better than ever." form Colemans, Easy, 180 Gregory St., New Hayen, Cura, was first taken sick in 1873, gradually ran down until he had pronounced Bright's theore, theumatism and all the other therefore stars of kidnd all the other deceptive signs of klidney disease. The last physicians in New Haven could do nothing for him. He then began using Warner's Sale Cure, 200 bottles of which he and his family

used and he is cured. lines used and he is cured.

W. T. Chawworm, preprietor St. Charles

Hotel, Elicimond, Va., and well known
all through the South, several years ago
was in the death-agony from kidney dise, convulsions and bright's disease. The best Philadelphia specialists in such diseases pronounced him practically deal and incumble. Everything else failing, he took Warner's Safe Cure abundantly with to symptoms of my old trouble. I mame is "The Bay State."
we my life to Warner's Safe Cure."
Michigan—An Indian w

If the most learned men cannot not feel as well as for ally, but who does not think anything specially ails him, and whose physician may assure him that he will soon be "all right."

In these days, people recognize that it is wiser to prevent disease than to Platte rivers being of little depth. await its arrival to cure it. When you know that you may be in the greatest peril and not have any idea of the fact counsel and experience above outlined, naure your own life against these common, mysterious fatalities,

This fact should always be kept in likely to have any value, mechanical or otherwise, as manure, should be added to the heap. It is wonderful what a lot of manure may be got together by those who keep this always before them Everybody, of course, should keep pigs to eat up the waste vegetables, and with manure from the pig-stye should be blended all the other waste matters of the garden and house.

THE infertility of many soils is due more to their mechanical condition, their texture, and relations to heat and moisture, than to lack of plant food. Such soils want amendments first and give good returns for manuring; others, without irrigation or amendment by drainage, tiliage, use of lime, marl or

An animal is never at a standstill. It is either increasing or decreasing. The rule should be to never allow an animal to fall off. A pound gained and then lost is simply doubling the work and food to reproduce it, which not only hereases the cost but lessens

GROUND bone is more lasting in effect than superphosphate, but the latter gives more immediate results. Utah—Na An excellent combination is one-fourth superphosphale and three - fourths nd bone, about 200 pounds being a medium application for an acre of land.

Title best kind of stock will fall to give satisfaction unless given the care demanded. It is not the breed that thrives with little care, but the one that receives care through necessity, that pays. A good breed permits the farmer

FRESH manure should not be used if It can be avoided, but should be composted and allowed to decompose. If placed on the land it must still under go a change in the soil before it beomes plant food, which causes too much heat in dry weather.

Go over the orchard at least once a month and search for the borers, or they will bore in too far to be reached. Remove the earth from each tree and examine the frunk carefully. The borer may be known by the exadations of the tree which it enters, and also by the receipt the tree which it enters, and also by the receipt the tree which it enters, and also by the receipt the tree which it enters, and also by the receipt the tree which it enters, and also by the receipt the solution of tracheotomy while suffering the bighloride of carbon. 'chies" it throws out.

them out to the top eye, cover with a is in three panels, and it will be inscribittle straw after frost and work them ed:

ONE great advantage of an early vegetable garden is that two crops may be grown in one season. If an abunon the soil should not be great.

Artificial pumice stone is now preding and baking a mixture of white sand feldspar and fire clay. This product is sidd to have superseded the natural stone in Germany and

THE NAMES OF OUR STATES.

Their Various Derivation-How the Nick-names Came to be Attached. An examination of the names of our States and Territories and a glance at their derivation would serve to give a ogh sketch of the make-up of our United States, if no detailed history were obtainable in books, All the thirteen original States but Connecticut and Massachusetts have names directly not only for consumptives but also for borrowed from England; the central and Tennessee to Minnesota and Daare of Indian nomenclature; Dorshelmer, apparently a strong, well, while the names Florida, Texas, Calirobust man, over six feet high, rickens formia and Nevada perpetuate the recollection of former Spanish occupancy. There is but one "Golden" Remedy—Dr. There is but one "Golden" Remedy—Dr. Pierce's Golden Medical Discovery. It stands alone as the great "blood-purifier," 'strength-renewer" and "health-restorer," of the age! The Liver, it regulates, removing all impurities. The Lungs it strengthens, cleansing and nourishing them. The whole system it builds up, supplying that above all other things most needed—pure, rich Blood.

pure, rich Blood. A little time spent in care of the

not be wasted time. The success of some of the agents employed by B. F. Johnson & Co., Richmond, Va. is truly marvelous. It is not an unusal thing for their agents to make as high as \$20 and \$30 a day, and sometimes their as \$20 and \$30 a day, and sometimes their profits run up as high as \$40 and \$50—even more. But we hesitate to tell the whole truth, or you will scarcely belive we are in earnest. Write to them and see for yourself what they will do for you.

The insect-eating birds are among the farmer's best friends, to be cherished and protected.

Rupture cure guaranteed by J. B. Mayer, 831 Arch St., Phil'a, Ease at once, no operation or de lay from business, attested by thou-sands of cures after others fail, advice free, send for circular. To make plaster set quickly, mix it

of potash has been dissolved. To make plaster set slowly, mix it with fine slacked lime. Nothing Cures Dropsy, Gravel, Bright's, Heart, Diabates, Urmary, Liver Discases, Nervonsness, &c., like Cann's Kieney Cure. Office, Sol Arch St., Philz. \$1 a bottle, 6 for \$5. At Druggists, Cures the worst cases, Cure guaranteed. Try it.
