TREATING THE WRONG DISEASE.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from lass discusses, another from nervous enhancements of prostration, another with pain here or tidee, and in this with they all present alike to themselves and their casy-going and indifferent, or over-thanky doctor, separate and distinct discuss. For which disorder. The physician, ignorant of the cause of suffering, encourages his practice until large hills are made. The sufference with pain better, but probably worse by reason of the delay, wrong treatment and consequent complications. A present pailing all those distressing symptoms, and instituting confort instead of prolonged misery. Pelling all those distressing symptoms, and instituting, confort instant of the symptoms, and instituting confort instant of the symptoms, and instituting confort instant of the symptoms, and instituting confort instant instant of the symptoms, and instituting confort instant instant of the symptoms, and instituting confort instant of the symptoms of the symptoms, and interesting the symptoms of the symptoms of the symptoms of the symptoms, and interesting a symptoms of the symptoms, and interesting the symptoms of the symptoms, and the symptoms are considered to the symptoms of the symptoms of the symptoms of the symptoms, and the symptoms of the symptoms, and the symptoms are specified when the symptoms, and the symptoms of the symptoms of the symptoms, and the symptoms of the symptoms, and the symptoms of the symptoms, and were much better already."

FROM CALIFORNIA. Mrs. ED. M. CAMPHELL, of Galiand, Call

have had none of these. I also had womb or have had none of these. I also had womb complaint so far I could not walk two blocks without the most exvice pain before I had taken your 'Favorite Prescription' two mont could walk all over the city without inconvintence. All troubles seem to be leaving me under the bengin infinence your medicine, and I now feel smarter than for years before. Physicians told me that I could not be cured, and therefore will please accept my everinating thanks for what you have a for me, and may God bless you in your good works." Later, she writes: "It is now four years since I took your' vorite Prescription," and I have had no return of the fer trouble I had then."

Well as I Ever Was. Mrs. JOHN STEWART, of Ch. Falls, Wis., writes: "I wish to inform you that I am new Falls, Wis, writes: "I wish to inform you that I am as writes: ever was, for which I thank your medicines. I took four bother of the 'Farorite Prescription' and one bother of your 'Discovery' and four bothes of the 'Pellets.' All of the bad symptoms have disappeared. I do all my own work: am able to be can my feet all day. My friends tell me I never looked so well."
