DR. WARNER'S celebrated Coraline Health Corsets have one peculiarity which pertains only to corsets of their make. The bust retains its shape to the end, and the corset imparts to the wearer a wellproportioned and beautiful figure. The corset is boned with Coraline, a substance superior to the finest whalebone. Made in short, medium and extra long waists.

There are many imitations, but you will find " Dr. Warner's Ceraline " printed on the inside of every genuine corset. They are sold by your nearest dry goods dealer. WARNER BROS. Mnfrs., New York and Chicago.
