"Some lives" are like: the more worn-will-the brighter. Busy wives who use SAPOLIO never seem to grow old. Try a cake ...

A complete wreck of domestic happiness has often resulted from badly washed dishes, from an unclean kitchen, or from trides which seemed light as air. But by these things a man often judges of his wife's devotion to her family, and charges her with general neglect when he finds her careless in these particulars. Many a home owes a large part of its thrifty neatness and its consequent happiness to
