The greatest improvement in Corsets during the past twenty years is the use of Coraline in the place of horn or whalebone. It is used in all of Dr. Warner's Corsets and in no others.

The advantages of Coraline over horn or whalebone are that it does not become set like whalebone, and it is more flexible and more durable.

Dr. Warner's Coraline Corsets are made in twenty-four different styles, fitting every variety of figures-thin, medium, stout, long waists and short waists. Sold everywhere.
