# SINTS FUE THE CUININE.

Steamed Ovsters. Lay some ovsters in the shell in a steamer, set over a pot of boiling water, until the shells open. Serve at once with a little salt, pepper and butter.

Oysters Roasted in the Shell. Wash ters of three or four feathers of differthe shells clean, and wipe dry. Put in baking pan, and set inside the stove ent colors. Hats are larger, while bonnets are twenty-five minutes. Serve on hot dishes, with butter, pepper and salt.

Curried Oysters. Put oyster liquor in a saucepan from a quart of oysters, add half a teacup of butter, two tablespoonfuls of flour, and one of curry powder, let boil, add the oysters, and serve.

Oyster Pates. Stew some oysters in a little of their own liquor, add cream, butter, a little nutmeg, pepper and salt. Let cool. Have shells of puff paste, or little cases, prepared, lay two or three oysters in each, and pour in the gravy.

Panned Oysters. Put oysters in a colander to drain. Put an iron pan over the fire, let heat very hot, throw in the oysters, and shake and stir until they boil. Season with salt, pepper and butter. Dish up and serve immediately

Oyster Pie. Line a deep pan with rich crust. Put in a quart of oysters, season with butter, salt, pepper, and a little nutmeg. Add a well beaten egg, and half a pint of crushed crackers,

pour in the oyster liquor, cover the top with crust and bake brown. Oysters, the ever-ready resource of

American housekeepers, form a very important article of food, not only on account of their nutritive qualities, but as well for their suitableness to all occasions and the great variety of ways in which they may be served.

Oyster Fritters, Chop three dozen systers fine. Beat two eggs until light. add a cup of milk, two cupfuls of sifted flour, with a little salt, beat until smooth, add a small spoonful of baking powder, and the oysters, stir, and drop by spoonfuls in the boiling lard. Brown on both sides.

Oyster Chowder, Take three very th in slices of salt pork, two small onions, s ad three potatoes, and boil until nearly d'une. Soak three dozen crackers, put four dozen oysters in the saucepan with the pork, add a quart of milk, the crackers, a little salt and pepper, boil one minute.

Creole Deviled Oysters. Put a layer trofters. of oysters in a shallow baking pan, spread with bread crumbs, bits of butter, mustard and vinegar, season with alt and pepper, put in the pan in alternate layers, put bread crumbs and butter on top, squeeze over a little lemon juice and bake.

Yet they are often spoiled in cooking, and few cooks are familiar with the different modes of preparing them. As many new and excellent recipes for cooking oysters have lately been introduced, we give them, with old and reliable ones, for the benefit of all lovers of these delicious bivalves.

Oyster Stew. Put a quart of fresh systers in their own liquid in a saucepan, set on the fire, let heat very hot, but not boil, take out the oysters, add half a pint of rich milk to the liquor, season with salt and pepper to taste, add a large tablespoonful of butter. When well heated pour over the oysters and serve.

Oysters served on ice. Take a thick, clear block of ice, weighing eight or ten pounds. With a red-hot iron mark out a space, leaving a wall of about ten inches. Melt out the centre from this. Empty out the water, and fill the space with oysters. Place on a flat dish, gar-nish with sliced lemon and bunches of fresh parsley. Oysters served on ice. Take a thick,

#### HOUSEHOLD

Cracker jars are an attractive novelty, and in many families where crackers are extensively used at meal times these may be used as a pleasing as well as useful addition." They are of china, prettily decorated, have a close-fitting over, and are about the size of an ordinary quart tin fruit can. As their capacity is not large, several of them may be used on the table at one time.

A recent prize offered by an Eastern horticultural society for the largest money product from a given area of small fruits was awarded to a strawberry grower, whose sales from two acres amounted to more than seventeen hundred dollars; and Mr. E. P. Roe, in Play and Profit in My Garden, has told us how he secured a gross return of alightly more than two thousand dollars from the same amount of land. In the report of the last annual meeting of the New Jersey Horticultural Society the following are given as some of the yields obtained by its members, "although the season had been uniformly bad." Early enbbage produced \$435 per acro; carly tomatoes, \$585 per acre; asparagus, four seres recorded \$900; per sere, and some instances as high as \$300 per acre.

For a common wrap for the baby carriage a little comforter made of the pretty blue and cream-colored lawntennis cloth is both serviceable and
