Our Boys suits at \$3 outlast those for which you pay \$4 elsewhere, and our \$5 goods will look neat and tidy. Examine by the way. Our stock of children's clothing is the largest in the county and the most varied. Mothers, you want clothing for your boys, and you want value for your money; here's where you can get both. We have the biggest and best line of children's clothing in the They kick because they're left. Their kicking is the rattling goods suits at \$1.75, better at \$2, and still better at \$2.25 and \$2.50. No house buys in such quantities that we do: no house carries such an assortment, and no house sells at such low figures. We beat them all from 10 to 20 per cent.; that is the main buying point, where you get the biggest value for the least money. Our stock of Spring Overconts (commonly so called), rather our stock of early Fall Overcoats is large and nebby and verp cheap. Come and examine.
