Boys' Clothing-we confidently believe-is worn by three out of every five boys in the county. Experience has taught careful observers that our Boyss' clothing is the best for money every time. Our Boys suits at \$3 outlast those for which you pay \$4 elsewhere, and our \$5 goods will look neat and tidy. Examine by the way. Our stock of children's clothing is the largest in the county and the most varied. Mothers, you want clothing for your boys, and you want value for your money; here's where you can get both. We have the biggest and best line of children's clothing in the rattling goods suits at \$1.75, better at \$2, and still better at \$2.25 and \$2.50. No house buys in such quantities that we do; no house carries such an assortment, and no nouse sells at such low figures.
