

THE BLOW WINDS BEGIN TO BLOW. The little room that had been Fenella's opened out of mine. I felt a chill creep through the wall, and a great creeping time, which clung to the lattice pane and made an exquisite curtain.

Fenella.

One evening I went with Charles, whose engagement ring I had worn... We said it was for that; and as an artist, Charles was always supposed to be a little more than a little bit of a dreamer.

They may or may not shock her hand again, and depart of it. Fenella's little room that had been Fenella's opened out of mine. I felt a chill creep through the wall, and a great creeping time, which clung to the lattice pane and made an exquisite curtain.

Why Cues are Worn.

Every one knows that a Chinaman does not care to return to his native land if, while in this country, he has for any reason become separated from his cue, or "pigtail," as it is more commonly called by the Americans.

Ordered by a Former Emperor of the Country.

First Worn by a Former Emperor of the Country. The Emperor of the present dynasty, who ascended the throne in 1844, determined to make the tonsure of Manchuria, which was his native country, the rule of the entire country to his authority.

ABOUT WOMEN.

Flowers are fading as trimmings for evening dress, and the fashion is setting in towards blue and black. Flights of jet swallows are seen flying across the skirt of an evening dress. Perhaps the bodice will be ornamented with a swallow, too.

A Matter of Etiquette.

A woman who has studied the question of a good bit was speaking to me the other day of the difference between New York and Chicago safe etiquette. "Chicago," she said, "no lady thinks of taking a glass of wine at a public restaurant."

ALL SORTS.

THE DUTY. He's a man of many charms, though mild his disposition; He wears a glass in his eye, though he's no magician.

NEWS IN BRIEF.

The peasants' insurrection in the south of Russia has been suppressed. The Mussel Shoals Canal, in Alabama, has formally been declared open.

Obituary.

Lincoln's Half Hour as a Watchman. James Etter, an old soldier, who for over twenty years has been one of the day watchmen in the Windsor building at Washington, which is occupied by the Bureau of the Second Auditor of the Treasury, relates with pride an interesting experience he had in 1863.
