Flowers are beautiful, grow pro fusely, and seem to have been made for the eye, and do fill the air with their fragrance. At a recent banquet in Philadelphia they graced the occasion for some of the most prosainent people in America, showing their blossoms in the warmth of the banquet room, despite the celd and the face of a devil who has once frost without. 4200 species of them are cultivated in Europe alone notitaking into consideration other species of other climates, and not including a number of the flowers of Palestine and Jerusalem where growithe "Rose of Sharren," and another flower mentions I in the Bible thus: "Solomon in all his glory was not arrayed like one of thees; In summer flowers are cultivated in gardens, and grew in fields and woods. In winter, in frosty, cold climates they are taken, rooted in vesce, into the toures and placed in constantly warm and kent ed rooms, and thereby during the freezing season, show blossoms These blooming geraniams, &c., can bessen as the windows during the day, while at night they are remored further within the warm room. By the warmth constantly kept withn, they grow, they bloom, they flourish, not being destroyed by the cold frost. It is the heat end warmth of fire that keeps them slive. So it is the love of God fthat keeps his people slive, warm and bluoming is the graces of a rissa, asended and interceding Christ. The love of God keeps his people exfely within the fold of his Son, and there they can dwell somewhat like the carefully attended flowers live in warm rooms in winter. People that live in Christ, and blossom in his graces are more pleasant to the knowledge of God than fowers are pleasant to the sight of flower ad-
