1890 1891 FALL AND WINTER SEASON MEYERS' STOCK OF CLOTHING

Is now ready for your inspection. Whether you aim to save money, dress in the latest styles, or both, you will surely find it to your advantage to look through this vast aggregation of merchandise. You can't employ a few minutes more profitably. You may not buy on your first visit, but you will surely leave our establishment impressed with the benefits to be derived from patronizing us. You will see the largest Men's Suit and Men's Overcoat Department in the county. Our gigantic store is literally lined with counters, and each counter loaded high with the neatest, nobiest, finest and most fashionable styles of Men's Clothing. But here's the most important point: Take any one of these garments and you, will find it marked at a lower price than any other house can name.

NOTE THESE SPECIAL PRICES:

Among the many prices in Men's Suits, we point out the following : \$10 for Men's Nobby Business Suits, Sack and Frock Styles, all-wool materials. \$10 for fine Scotch Cheviot Suits, in Checks, Plaids and Silk Mixtures. \$11 for Men's Imported Cassimere Business and Dress Suits in Ssck and Frock Styles. \$12 for Men's celebrated Black Scotch Cheviot suits and Imported worsted diagonal suits. \$15 for men's extra fine custom tailor made, imported dress suits, in Sack, Cutaway, Frock, and Prince Albert styles. You can't form an idea of the excellence of the bargains until you see them. Equally great values in Fall Overcoats. We have the very latest, choicest and nobbiest things—and a saving of money is guaranteed to every purchaser. If you want to leave your measure for a first class suit, a spring overcoat or a pair of trousers at a small outlay of money, call on us. Men's all-wool suits at \$8. Nobby Cheviot and Cassimere Suits at \$10. Hundreds of men's suits at \$4, \$5, \$6, \$7 and \$7.50.

BOYS AND CHILDREN'S CLOTHING.

Boys' Clothing-we confidently believe-is worn by three out of every five boys in the county. Experience has taught careful observers that our Boyss' clothing is the best for money every time. Our Boys' suits at \$3 outlast those for which you pay \$4 elsewhere, and our \$5 goods will look neat and tidy. Examine by the way. Our stock of children's clothing is the largest in the county and the most varied. Mothers, you want clothing for your boys, and you want value for your money; here's where you can get both. We have the biggest and best line of children's clothing in the rattling goods suits at \$1.75, better at \$2, and still better at \$2.25 and \$2.50. No house buys in such quantities that we do; no house carries such an assortment, and no house sells at such low figures. We beat them all from 10 to 20 per cent.; that is the main buying point, where you got the biggest value for the least money. Our stock of Spring Overcoats (commonly so called), rather our stock of early Fall Overcoats is large and anbby and verp cheap Come and examine.

OVERCOAITS.

Our stock this fall is superb. Constant effort succeeds. We are make ing improvements every season. The newest novelty this season is the box overcoat, with i inch lap seam. Every known fashionable shade is here at prices to suit all, \$8, \$10, and 812. These coats must be seen to be appreciated. Men's Ulsters, or Storm Coat in black, blue and fancy Shetlands, black and Chinchillas, American Irish Friezes, Fancy cheviote and cassimeres, at \$4, \$5, and \$6.
