eing is renewed once in seven years, but, strange to say, any foreign substance on it, such as pimples, boils, tumors, concers, etc., remain. The reason is kept alive by impure matter in the blood. It will be seen at once that a cure can only be accomplished by purifying the blood. This being done they die for want of support. Many of the herbs to be found in the vegetable kingdom pos-sess the power to so cleanse the blood, and, when combined with certain vita-lizing chemicals are a power for good.
