### SENTINEL & REPUBLICAN

### Tobacco Culture in Juntala.

MIFFLINTOWN.

WEDNESDAY, OCT. 14, 1891.

would be of interest to your readers | Weight sixty five pounds I send you the following account of

B. F. SCHWEIER EDITOR AND PROPRIETOR.

The Perry county judicial bar wants everything in the way of the judiciary. They want to leave nothing for Juniata but to vote for her candidates. They have had the judge 20 years and received eighty thousand dollars, and now they want the judge thing never done before and at prices better than ever paid before, and umn of the horse was begun. The Fair play, gentlemen. Fair play, Juniata will not be treated in that way. names, acres farmed, price per lb,

Samuel Lapp, Republican candipaid and amount realized, &c. Elliott Groninger, three acres, at date for Sheriff, has had a large course of training as deputy sheriff 91 and 151 a pound, partly damaged the head between the ears, and thus back and forward till the 54 buckets

Noble, and will bring to the work of Robert Crozier, two acres, 9c the office an experience that will be ound, partly damaged by hail, \$300. of service to all parties who have Jonas K. Hertzler, four acres, 9c a business to transact in the sheriff's ound, partly damaged by hail, \$550. office. He speaks English and Penn-James N. Groninger, two acres, 12 sylvania Dutch, which is oftentimes ents a pound. somewhat damaged of great convenience, importance and | by hail, \$350. satisfaction. He is an affable man,

George Herman six acres, 121c pound. good \$1,000. and withal a man of courage, ready to go and serve anywhere where the David Guss, three acres, 12c pound, good \$450.

Franklin county people are again Albert Groninger, six acres, not coming forward with an objection to sold, very good, \$1,300 the present system of nominating cong Total 504 acres; \$9,200. resemen. The people want no change The crop raised by George Gronif it is to be only a change from one inger is bought by his son Wm. kind of conferee system to another senior member of the firm of Gronkind of conferee system, but they inger & Hertzler cigar manufacturare heartily in favor of nominating ers of Port Royal. The crop of Al-

congressmen and State senators by a bert Groninger will be manufactured popular vote. Then every voter can into cigars by his brother a cigar express his preference at the primary manufacturer of the same town. election for the candidate of his Now let us examine what these figchoice. By such a system a Frank- ures mean 501 acres produces an lin county candidate can come into income of 9,200, or something over Juniata county and run for the prim-ary nomination, a Juniata county for labor, and \$30 for extra man-for labor, and \$30 for extra manary nomination, a Juniata county for labor, and \$30 for extra man-can go into Franklin county and into ure, and then we have left over \$100 It does not act as most drugs do by creatthe other counties of the district for primary nomination. Officers are elected by a popular vote, why as the land is worth, and yet we

elected by a popular vote, why should they not be nominated by a popular vote. It was a most judicious selection that the Republicens made, when that the Republicens made, when they nominated Jeremiah Lyons for President Judge, for no man in the plaining of bard times and laying the trict can command such a vote. The balance on everything and everybody courts are represented as bring blind. The providence of the right parties—themselves of the right parties when are represented as bring blind. to every interest except that of ad. -I believe in conservatism, but a testimonials and the names of our patients to every interest except that of ad-ministering justice in cases that are man should not be so conservative, But any substance made elsewhere or by brought before them. It is a dread- that it requires an earthquake to others, and called Compound Oxygen ful thought to think how many just move him. Then there are others injurious. cases may be lost when a judge is who do not grow tobacco because put upon the bench who may be in-flunced to charge a jury in a certain and consistently remain free traders. flunced to charge a jury in a certain and consistently remain free traders, len, which gives to all inquirers tull informway. Mr. Lyons is not infallible, because the prices now secured are into as to this remarkable curative as to this remarkable curative as the success of the and a record of services in a wide to the office of President Judge, a present tariff in driving from our range of chronic cases-many of them after higher appreciation of the superior markets the products of the markets being abandoned to die by other physicians. higher appreciation of the superior markets the products of the markets will be mailed tree to any address on apduties that cluster about a court, the preducts of the Island of Sumand are so dependent for just atra; where the labor of raising is administration upon the President entirely done by the heathen, wear-Judge. Mr. Lyons chances for elec- ing the breech clout and living altion are brightening every day, and most entirely on rice, but this is not a there should be a general falling in political contribution, it is a business to help secure his election. article, and may induce some to commence the cultivation of tobacco, and

ADDITIONAL LOCALS. Mr. Editor :-- DEAR SIR. By act of assembly a bushel of Thinking a communication on the potatoes-you can sell by measure sulture of tobacco in this vicinity if all parties concerned are agreed.-

Some time ago Mr. George Smith of sales, &c. Once more the tobacco this town had a horse lamed by tramp-

merchant has been in the land and ing on an iron rake. The beast went the farmers are wearing the broadest kind of a smile; when they think of took lock jaw, and was given up as a rattling the cash, that it is sure to dead horse and turned out to die, rattling the cash, that it is sure to be in their pockets from the sales al-ready made. Mr. Isaac Stirk a gen-tlemanly buyer from Lancaster Co., Pa., kas been here and Bought near-ly all the tobacco on the poles, a

very satisfactory to the growers. water was poured from the head be-The following gives the growers tween the ears, along the mane, over the withers, along the back bone to the root of the tail and then back to the head between the ears, and thus of water had all been expended on the beast. By that time the animal was shaking like an aspen. As soon

as the ice bath was over the horse was wrapped in blankets and that brought out the sweat. The sweat was so profuse that water ran down the animals legs. Before the sweat was over the beast's jaws unlooked, and it is getting along right well considering the condition it had been in.
