Daffy-down-Dilly is "going on" three.

Height Ho! Daffy-down-Dilly,
Her eyes are as blue as the far away sea.

Daffy-down-Dilly, Dilly.
Het hair with red gold was commingled and apun And her plump little check is as brown as a bun,
For she won't wear a but when she plays in the sun.

Wait a

Daffy-down Dilly, Dilly. Daffy-down-Dilly's wee shoes are unlaced, Heigh: Ho! Daffy-Down-Dilly. Her new frock is soiled, there's a stain on the

waist,
Daffy-down-Dilly, Dilly;
And the why and the wherefor is perfectly And all of our care has been lavished in vain, Daffy-down-Dilly, Dilly.

Daffy-down-Dilly is placifly sweet.
Height Hot Daffy-down-Dilly.
Though she's spected and speckled from het head to her feet.
Daffy-down-Dilly, Dilly;
And she smiles at me now with a mouth full of pearls

As the loving sun kisses her innecent curls,

Ah! wickedest, dearest, most wilful of girls—

Daffy-down-Dilly, Dilly

A STREET-CAR ROMANCE

"Tickets" shouted the smart young conductor, as he elbowed his days.' Are you sorry?" way through the passengers standing in a car which was being drawn kissing). - Argonaut. swifty up California street.

It was about half-past five o'clock on a Thursday afternoon that I found myself inside a car filled with men returning from business, scattered toria's private secretary, is a smart, will fare leading man of the secretary of parts:

We will distinguish the many forms on a Thursday afternoon that I found among whom was a sprinkling of members of the fairer sex, who, incumbered with their innumerable purchases and wrapped up in cloaks, allowed only the tips of their noses to allowed only the tips of their noses to appear over their long boas of fur or feathers. It was one of those cold foggy evenings that make pedestrians hurry along at top speed, while the policemen at the corners of the streets tramp up and down to keep themselves warm. The ladies seemed to have great difficulty in bringing their purses out from their small muffs or from their deep pockets, and a continuous string of apologies was offered. tinuous string of apologies was offered for involuntary elbowings, caused by without any of the burdens of gran-brier, etc., are examples. 4th, Lilaendeavors of their benumbed hands to duer, and their children have excel- ceous flowers consisting of a six-leaved

A Difficult Division.

A farmer before departing this world made his will. He had in his possession eighteen horses, but before the will was proved one of the horset A full-grown Green and whale yields | died, which left only seventeen to be divided. His eldest son was to get one-half of the horses, his second son one-third, and his youngest son oneninth. These portions were easily enough separated when there were eighteen horses to divide, but how te allot seventeen horses in three parts was a puzzle. They scratched long at their heads, but could find no way out of the difficulty. At last they called in the assistance of the local schoolmaster, who gave them a solution to the problem.

"You have seventeen horses to dis our best doctors and received eighteen. To you, Bob, I will give given you all your shares, I will take back my old mare which is left." And having thus settled the matter to his own satisfaction, the
