For some persons one cup of sauce would be sufficient for a dozen eggs. BAKED SALT MICKEREL WITH CREAK

Wash a salt mackerel thoroughly and sock it over night in a large panful of cold water, placing it in the dish In Great Britain the total sum paid seven i ches tall, greenish-white flow-in wages for the year 1890 amounted ers, surrounded by four white leaves up, and pour over it a pint of sweet Serve with potatoes baked or plain

WHITE PRUIT CAKE, One and a half cupfuls of butter, two cups of sugar, one cup of milk, five cups of flour, three eggs, two teaspoonfuls of baking powder, three-fourths of a nutmeg, two cupfuls of raisins, onehalf pound of citron, and one cupful of corrants. Bake two hours with a slow fire. This is sufficient for two goodsized loaves, and should not be cut in less than a week as age improves it.

THE use of petroleum as a means of firing porcelain, is likely to reduce largely the cost of making china.

I must say a word as to the ef-

ficacy of German Syrup. I have used it in my family for Bronchitis the result of Colds, with most excellent success. I have taken it myself for Throat Troubles, and have therefore recommend it to my neigh-Pyrola Elliptica, False Wintergreen, bors as an excellent remedy in such ville, Va. Beware of dealers who offer you "something just as good." Always insist on having Boschee's German Syrup.

now-a-days, and against which the greater number of the so-called home remedies are approper remedies, because most people are ignorant of the true character of the numerous causes of the disorder. And yet it is a very simple matter lodeed. In nine cases out of ten h-adache is produced by a disordered stomach and consequent imperfect circulation of the hood widch causes a congestion in the head. The physicians therefore call it gastric headache, while it is more commonly known as sick headache. It appears in different forms, Sometimes it occurs as a dull pain in the forehead again as a sharp acute pain, then again as a feeling of general oppression, and finally a violent thrabbing of the arteries against the fetaples. In most of these cases coul feel and general languor are added to the other symptoms. The last mentioned symptoms particularly are an infallible guide to the cause. No sic ness, to indisposition can be thoroughly cured unless the treatment be directed towards traditioning the root of the evil. In this case the disordered or overloaded stomach and liver, which are the source of the headache, must be recutated and put into a sound condition. For his purpose there is no more effective remedy and non-that is better adapted to promote the general health than the St. Bernard Vegetable Pills, so called after the hoble order of Benedictines, whose members have redered such grant as a vicing a feeting the round of the disposition of the Aips. They act as a mild laxative, a neutralizing alternat and a blood purifier, promoting a benithy circulation as feed on the disposition when a sound condition as better the book of the holisosition known as beautache. Schoolmaster-"Of what does the urface of the earth consist?"

Pupil-"Land and water." Schoolma ter-"what do land and water make?" and bowels. Papil-"Mud." CHILDREN FOR THE

I had three little girls who were attacked with obstinate ECZEMA or Blood Trouble, which at first resembled heat, but soon grew to yellow blisters, some of their quite large. One of the children died from the effects of it, but we got Swift's Specific and gave to the other two, and they soon got well. S. S. S. forced out the poison promptly. The cure was wonderful -J. D. Rains, Marthaville, La.
