Questions Often Asked.

Q. What is Alabastine?
A. Alabastine is a DURABLE coating for walls and ceilings.
Q. Is it the same as kalsomines?
A. It is entirely different from all other preparations on the market.
Q. Wherein does it differ from these kalsomines the market? es on the market?

omines en the market?

A. It is made from a cement that goes through a process of setting on the wall, and grows harder with age.

Q. What are kalsomines made from?

A. From whitings, chalks, clays or other inert powders for a base, and are entirely dependent upon glue to hold them on the that the average speed of the transmission of earthquake shocks is nearly 16,-000 feet per secon ' Mr. Charles Wilmam Koch, Braver Falls, Pa., writes 'I am in receipt of your letter, and would express my sincere thanks for the St. Bernard Pills sent me. They are entirely as Bernard Pills sent me. They are entirely as represented, are gentle and yet thorough in their effect, and fully deserve their repuration as being an excellent household remedy. I can be paid \$500. That's what they offer and in good faith—they are

wall.

Q. Why do kalsomines rub and scale?

A. Because the glue, being animal matter,
decays in a short time by exposure to air
and moisture, and the binding qualities of
the material are then gone,
Q. Does the Alabastine contain any inturious substance? substance?

A. Alabastine has been most carefully Samuel Eutler, the Englishman, who tested, and is recommended by leading sani-tarians throughout the country, on account asserts that the author of the Odyssey your case, or of how long standing. was a woman, bases his view mainly on the fact that the leading theme of Olyssey is the infatuation of man with

chance of failure.

RHEUMATISM. Jan. 17, 1883, GEORGE C. OSGOOD & CO., Druggists, Lowell, Mass., wrote: "MR. LEWIS DENNIS, 126 Moody St., desires to say that ORRIN ROBINSON, a boy of Graniteville, Mass., came to his house in 1881, walking on crutches; his leg was bent at the knee for two months. Mr. Dennis gave him St. Jacobs Oll to rub it. In six days he had no use for his crutches and went home cured without them." without them."

Lowell, Mass., July 9, '87: "The cripple boy ORRIN ROBINSON, sured by St. Jacobs Oil in 1881, has remained cured. The young man has been and is now at work every day at manual labor."

DR. GEORGE C. OSGOOD.

LAMEBACK.—Aberdeen, S. Dak., Sept. 26, 1888: "Suffered several by doctors. Two bottles of St. Jacobs Oil cured me."

PEARL TYPEWRITER PRICE \$5.00.

Nearly all diseases of long standing their origin in the unnatural and unban-condition of the blood, or as this condition very properly denom nated, impure blood. flammations of long standing, rheumatic palingering and scrotulus diseases and a lek. diseases, such as eruptions, pumples, and blotches, are all caused by incr blood. If the blood flows through the vessels in a pure, fresh and powerful stream, it carries to every part of the body and to every organ new and fresh vitality and earles the waste matter away from them. The chief care of prents who are desirous of promiting the physical well-being of their children should therefore be to guard the tender bodies of their against susceptibility to the strank of gazas of all kinds of diseases through impure blood. It is a well known fact that people young as wel DITMAN'S PHARMACY, Broadway
