Grangers' Williams' Grove Picnic.
A meeting of the Managers of the Grangers' Institute Picnic Association held in Grange Hill, Thomas Printing House, Mechanicsburg, on Thursday, May 5th, and details of the arrangements for the nineteenth Annual Meeting completed. The action of the General Manager in dating the Picnic of 1892 to open Monday, August 29th, and close Saturday September 3d, was unanimously ratified.

Committee on Exhibits reported a greater demand for space than for former year, and the Committee on Rentals reported every cottage at Williams' Grove, as well as every tent, owned by the Association engaged for the coming meeting. It was decided to procure fifty additional large sized canvas tents, and to largely increase the accommodations in general.

Committee on Printing reported 50,000 date cards already printed and distributed. It was ordered that 250,000 circulars of information be issued and ready for distribution by July 1st, and 50,000 eight page programs be issued by August 1st.

The General Manager stated that the trunk lines of railroad had intimated that accommodations and rates for passengers and freight to Williams' Grove during the meeting of 1892 will be made with the same liberality as here to fore, and all indications are favorable to a larger gathering this year than has ever yet assembled at the Grove.

After the appointment of several new committees the Board of Managers adjourned to meet July 1st. H. S. MOORE, Secretary.

For a Time.
I will now reduce the price of my \$3.00 cabinet photograph to \$1.50 per dozen.
This reduction will continue as long as there is sufficient trade to warrant the price, and no longer. This gallery is filled with all the latest improvements usually kept in a first class gallery, such as Fine Scenic Backgrounds, Beautiful Draperies and Fine Accessories, that would do credit to the large cities.

We propose during this reduction to let our work speak for itself and have no hesitancy in saying that talking into consideration the quality of work, these will be the cheapest cabinet photographs ever made in Juniata county. Respectfully,
JOSEPH HESS,
