A MOST GRAPHIC STORY.

ft is Taken Direct From Real Life.

A CHARMING NEW ENGLAND LADY TELLS HER EXPERIENCE BOTH

> ABROAD AND IN AMERICA.

The unwritten romances of life are more wonderful and far more interest- by centuries of habit and conventionng than the most vivid works of fiction. alism to present a fair appearance. The one we are about to relate occurred i) real life, and is both interesting and say family affection is a good example

Mrs. Jennie Ray formerly lived in sion in actual home circle, that is too Manchester, N. H. Her home w.s terrible a subject on which to touch pleasant, her surroundings comfortable. | thus lightly-but I must own that I In the year 1880 she visited Fugland, really cannot see why we should be and while in that country began to supposed, ipso facto, to be fouldr of experience strange sensations At first relations in the selection of whom we he attributed them to the change of bave had no choice whatever, than of slimate, but they continued and in the friend to whom we slowly but reased, until finally, like many another | surely give our hearts, our trust, and woman, she became utterly di cour- confidence. Relationship in too many cases, means a cloak for so-called plain

It was while in this condition that speaking, for unwelcome advice; it is a ters of an hour, then drain and mix Mis. Ray returned to America and her moral footstool on which a stunted soul with three hard boiled eggs chopped tome. Thousands of women who read may sland unreproved, and pry into one. Arrange in layers in a baking story can appreciate the condition the concerns and feelings of one with dish, sprinkling each layer with bits of in which Mrs. Bay then was, and sym-pathize with her's ffering. Two prom-won; in short, your relations may be sufficient milk to thoroughly moisten cent physicians were called and en your nearest "and dearest," but it is a it, and on top sprinkle half a cup of leavored to do all in their power for very bare bone to suppose they must cracker crumbs which have been moisther relief. In spile, however, of their be so.

skill Mrs. R ty grew weaker and more A delightful instance of family lopressed, while the agony she endured frankness lately afforded me much comed to increase. It was at this time that a noted physician who was called the train pulled up with its usual disteclared Mrs. Ray was suffering from locating jerks, I heard some such sen- instead of chopped eggs and bread ancer, said there was no help, and teld her friends she could not live more low-travellers -acidulated-looking wo- will be sufficient. Parmesan cheese is han a week at the farthest.

And here comes the interesting part of the story, which we will endeavor to know what Caroline always was?" and dish can be made from English dairy cil in Mrs. Ray's own words. She at last, just as 1 reached my destina- or American cheese. tion, came a jubilant duet of "But we

"Unknown to all these physicians, I all know what Fred is!" and been using a proparation of which | Poor Fred! as I climbed the steep i had heard much. I uid not tell the stairs I pietured him, careless and happy-go-luck, enfant perdu, perhaps, of a self-righteous circle of so stinuance. During all the while that yet who shall say he had not more of the physicians were attending me the the charity "which thinketh no evil" oreparat on was steadily and faithfully than those who thus sat in judgment ing its own work in its own way, and on the family? I had faith in its power. At last the loctor suid there w..s no use of his com-

ing, for he could do me no good, I had all, can be tolerably translated by the suffered so much that I was quite modern word, humbug- for, does a young woman of our acquaintance take elief than I knew. One week from a ticket in the lottery we call marri-

the day the doctor last called a presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents, and the larger the income of the presents are presents are presents. But does an "old mat 1" friend lose her remaining presents are presented are presented as the present are present are presented as the present are presented as the present are present are presented as the present are to come away of itself before. I imme-fittely began to gain lealth and strength and I unhesitatingly declare is at my rescue from death was due to the marvelous effects of Warner's Safe Cure, which was the remedy I to k acknown to the physicians, and which orta mly rescued me from the grave

erta n'y rescued me from the grave. another to whom fortune has been a It is my firm belief that many ladies niggard. -

For all diseases caused by a tornid liver or impure blood, Dyspepsia, Biliousness, Scrofulous, Skin, or Scalp Diseases - even Consumption (or Lung-scrofula), in its earlier stages, the "Discovery" is the only remedy that's guaranteed. If it does'nt benefit or cure, you have your money back.

You pay only for the good you get.

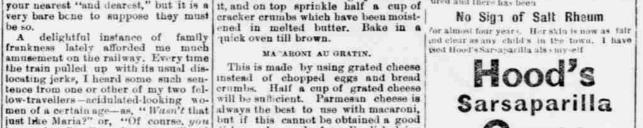

The proprietors of Dr. Sage's Ca-tarrh Remedy lose \$500 if you're not cured of Catarrh. They promise to pay you that if they can't cure you. What do you lose by cure you. trying it? Is there anything to escopic discovery is naturally proud of risk, except your Catarrh?

I was afflicted from infancy with Catarrh, and for ten years with eruptions on my face, I was attended by the best physicians, and used a number of Blood remedies with no per-manent relief. MY LIFE BECAME A BURDEN TO ME, for my case was declared figurable. I saw S. S. S. advertised, and took eight hottles, which cured me entirely, and I feel like a new person.-Miss JOSIE OWEN, Montpeller, Ohio.

I was the victim of the worst case of Catarrh that I ever heard of. I was entirely deaf in one car, and all the inside of my note, including part of the hone, sloughed off. No sort of treatment benefited me, and physicians said "I would never be any better." As a last resort I took Swift's Specific, and it entirely cared me and restored my hearing. I have been well for years, with no sign of return of the disease.—Mrs. JOSETHINE POINTL, Due Weit, S. C. S. S. S. cures Catarrh, like it does other Blood diseases, by elimina-ting the poison which causes it. Treatise on Blood and Skin mailed free.

TAKE NO SUBSTITUTES.

IT IS A DUTY you owe to yourself and your family, during these hard times, to get the most value for your money. You can economize in your foot-wear if you purchase W. L. Douglas' Shoes, which, without question, represent a greater value for the money than any other makes.

CAUTION. W. L. DOUGLAS' name and the price is stamped on the bottom of each shoe, which protects the consumer against high prices and inferior shoes. Beware of dealers who acknowledge the superiority of W. L. Douglas' Shoes by attempting to substitute other makes for them. Such substitutions are fraudulent, and subject to prosecution by law, for obtaining money under false pretences. W. L. DOUCLAS, Brockton, Mass.

If not for sule in your place send direct to Factory, stating kind, size and width wanted. Postage tree. AGENTS WANTED. Will give exclusive sule to shoe dealers where I have no agent and advertise them free in local paper.

SEXUAL WEARNESS The liver, the kidneys, the heart, the lungs and the stomach are the most important organs accessary for the preservation of lif. It is therefore the duty of everyone who cares at all GOLDEN WAFER CO., New Baye for his bodily health to keep them in as good condition as possible. But while the heart, the lungs and the stomach in an ordinary constitu-
