THE LAND OF THE LAZY. BY SUSTE M. BEST.

The land of the lazy is "Sometime" land, Its boundaries all are "After a while." Its citizens wear the "Mean-to" brand, And "Going-to" ga ments are all the style.

in the land o' the lazy little is done, For the uwellers crowd to the "County

Shirk," And they moan like martyrs every one At the very sound of the name of work.

In the land of the lazy they want to get Just as much as the tollers do, And then, if they don't, they fume and fret, And grumble about "Fate s favored few."

In the land of the lazy Ambition dies, For it cannot live in untended soll, And its bright twin, Progress, s raightway

Away, away to the town of Toil. In the land of the lazy you and I. As a matter of course, have acver been : But I tell you what, we had best look spry, Or, before we know it, we'll enter in.

"I DON'T CARE." A STORY FOR BOYS.

I never heard from what source I was supposed to have drawn the habit, but certain it is that Sim Braddock always represented himself as the most defiant of mortals.

Now defiance, like everything else, is very good in its proper place, but when brought into every little affair of daily life it is apt to become inconvenient, if not injurious. Besides, the fithair have a tendency to produce a smile rather than awe. Nor does a weil-darned jacket and a pair of remarkably short trousers necessarily prepare us for acts of courage and eniurance.

Then, again, the surroundings of the Braddock family were much against the character Sammie assumed. They lived in a little cottage, which

in some wonderful way had been squeezed in behind a street of large no time or temper by a search. houses, and could only be got at it has been said the secret of good through a narrow passage. It seemed housekeeping, and also of housekeepimpossible that Sammie with his strut, ing made easy, is, first of all, to have his look of resolution, and his loud "1 convenient places for all necessary don't care!" could ever come out of so utensils, to have nothing that is in fresmall a dwelling. But he did.

Perhaps the cause of Sam's defiance lay in a constant dread lest other boys it can only be reached by mounting a Its waters to the ble proofs of real cowardice. This, for example, is what happened avoided, amply repays a thoughtful The meadow and the lin.

Sammie, in reaching some books from a shelf at school before the master's arrival in the morning to the

down a large ink-pot. "My eye! won't you get it!" said wife to shoulder all the burden.

Dickie Sharp, whose tongues was the Prepare simple, nourishing meals, most mischievous part of him. "Won't he!" chimed in other schol- Alws s plan beforehand what to have

ars, whose appetite for vengeance for each meal and collect your matertowards Sammie had been whetted by isl. many acts of deflance. "I don't care!" cried the culprat.

"Oh, no; I suppose not!" rejoined the store. Dickie Sharp: "not when he fetches In summer prepare for winter; in

clean breast of it if I were you." In seeking the comfort of others do clean breast of it if I were you." In seeking the comfort of others do "I dare say you would!" retorted not neglect yourself. Have a comfort-"but I shan't. Let him able chair in the kitchen into which whack me if he likes; I don't care " And the consequence was, that when and vegetables; or a lounge in the sit-

"Twelve pence one shilling," said the Canadian schoolmaster. "Now go ion; "for my work is big gun long after on, sir: 'twenty stillings make one'-"They make one mighty glad these

times," replied the boy, and the teacher who hadn't got his last month's salary, oncluded the boy was right.

Northrop, that this miraculous change had been wrought by a very simple remedy called Dr. Williams' Pink Pills for Pale Pao-ple. When asked about it Mr. Northrop fully verified the statement, and not only so, but he had taken pains to inform any one who was suffering in a similar manner when he heard of any such case. Mr. Northrop was enthusiastic at the result in his own case of Dr. Williams' Fink Pills. It was a remesty that he had heard of after he had tried everything he could hope to give him relief. He had been in the care of the best physicians who did all they could to alleviate this terrible malady. No Distinction Now. "Store" for "shop" is an Americanan of natural and reasonable growth.

In early colonial days shops were also of necessity stores or denots for goods in bulk, since cargoes came in seldom and at few ports. Meanwhile, by the ime the coast region had thickened population, and communication with Europe and between various parts of the country had become asier and more frequent, so that here were shops which were not also

tores, habit had fixed the word store upon the speech of the people, and the distinction between store and shop has been lost.
