VOL. XXVII.

REV. DR. TADWAGE. The Brooklyn Divine's Sunday Sermon.

Subject: "Overtake Forever."

For eons the world had been waiting for a deliverer... The world was waiting for a deliverer...

But what is this Christ who came? As to the different theories of their origin...

Suppose that the majority of those here have read the Bible... It is a different doctrine...

They say there was no miraculous birth in Bethlehem... It is a different doctrine...

They say there was no miraculous birth in Bethlehem... It is a different doctrine...

They say there was no miraculous birth in Bethlehem... It is a different doctrine...

They say there was no miraculous birth in Bethlehem... It is a different doctrine...

phoned son. I will be thy protector... Do not cry. He is here. He is here...

FOOD FOR THOUGHT.

Don't have money transactions with your friends if you can avoid them.

There is one sign of breeding vulgarly seldom assumes simplicity.

Inspiration is the supplementation of the original act which created the man.

The apt use of symbols is the great art for ruling the operations of human brains.

Idiocy is a disease of the imagination; idealism the aspiration of the intellect.

Symbolism is the translation of the language of one kingdom of being into that of another.

In the recoil of our own spirit and the turns of our own deeds, Nemesis is perpetually born.

All of us know how other people should spend their money.

What a heavy burden is a name that has too soon become famous.

God employs no hired men. His work is all done by His sons.

Prejudice is bias independent of the facts.

The richest men don't always know how to be rich.

Do your enemy a favor every chance you get, and it will cut like an ax, if you do it in the right spirit.

SPRING TIME.

Winter departs, his bleak kingdom resigning.

And everything welcomes the life-bringing breeze.

Lo again in the fields doocks and herd are reclining.

And again the green leafage is decking the trees.

Say, why is the earth with its glories so teeming?

And why are the meadows with flowers so bright?

Say, why are the meadows with flowers so bright?

In fatness depths of celestial light?

Lo woodland and field are with fragrance abounding.

And all Nature smiles, and is happy to-day.

Lo the air with the music of birds is resounding.

And the nightingale carolier favorite is lay.

Lo the air with the music of birds is resounding.

And the nightingale carolier favorite is lay.

Lo the air with the music of birds is resounding.

"THINGS OLD AND NEW."

It has been discovered that drafts bills of exchange and promissory notes were in use among the ancient Babylonians.

The longest single span of wire in the world is used for a telegraph wire, and is stretched over the river Kinab, between the two peaks of the Sactanagram, India.

The name, Captain Cook discovered in the middle of the Missouri River, about a century after the Spaniards had first landed there, he christened them in honor of Lord Sandwich, of the English Admiralty.

Some bridge builders who were sinking in the middle of the Missouri River at Bellefontaine, discovered at the depth of a 110 feet a human skull, resting on a stratum of limestone.

In Arizona, a short distance east of the Tucson strike road, a rock which bears a striking resemblance to a camel.

Sable Island, which is about a hundred miles nearly east of Halifax, has lately changed its position.

The Paris hot-water fountains, fed by the use of the poor, supply eight quarters of heated water for one cent.

Every gem known to the lapidary, has been found in the United States.

What plant of our splendid flora shall we choose for our national emblem?

The plant which fulfills these conditions is the cotton-plant.

The plant which fulfills these conditions is the cotton-plant.

The plant which fulfills these conditions is the cotton-plant.
