How the Russlan: Aftx Stamps.

Americans who chance to receive let ters from Russia are usually surprised to find the foreign postage stamp on their envelope used as a seal-affixed, that is to say, to the centre of the side opposite to that on which the ad fress is written. Sometimes Russians settling in the United States continue the practice acqu'red at home, much, of course, to the annoyance of United States postoffice officials. A case of this kind occurred recently in New York State, but it was explained quite inadequately by a writer, who alleged that the colonists scaled their letters with the postage stamp because communications from the United States were usually opened in the Rus sian postoffice before delivered. As a matter of fact the habit is diffused all through Russia, and simply means that distrust of the Imperial postoffice i widespread. - New York Commercia Advertiser.

WELCOME WORDS TO WOMEN. Many times women call on their family phy-icians, suffering, as they imagine, one from dyspepsin, another from beart disease,

by some womb disorder. The suffering pa-tient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medi-cine, like Dr. Pierce's Favorite Prescription

Mrs. Harry Tappan, of Reynolds, Jefferson Co., Nob., writes; "For two years I was a sufferer. A part of this time had to be carried from my bed. Was racked with pain, had hysteria, was very nervous, no appetite and completely discouraged. A few bottles of 'Favorite Prescription' effected a perfect cure." Sold by all dealers in medicines.
