COXEY'S ARMY. Coxe's army of 72 men started on their march to Washington, D. C., from Massillon Ohio, on Easter Sunday. The first day they marched to Canton, Ohio. The second day to Louisville, Ohio. Thus far they have received an accumulation of a citizens tent. How long they will continue the march remains to be seen. The country looks upon the movement as the movement of a lunatic and laughs over it as over a joke. Coxe himself, by the use of the credit system has bought property, but it is all mortgaged and some of the indebtedness being about due his financial bubble will burst.

He says his purpose is to march a peaceful army of men to Washington to induce Congress by moral suasion to issue five hundred million dollars greenbacks to lift that many interest bearing bonds. His army is composed chiefly of tramps who as long as they are peaceful and don't commit the overt act by offensive manner or by theft will not be molested on their pilgrimage.

Muscular Rheumatism

Sciatica and the Piles Adds to the Sufferer's Misery. Four Bottles of Hood's Sarsaparilla Effects a Wonderful Cure.

"C. I. Hood & Co., Lowell, Mass.: Gentlemen: As a result of the memorable blizzard of March, 1888, I contracted muscular rheumatism; at that time I was engaged on a job of steamfitting in Plainfield, N. J., and it was necessary for me to wade through the snow to the building a new residence, in which we were working. For eighteen months afterwards I was laid up with muscular rheumatism and sciatica. I then joined my son-in-law in Beaver, Col., where I was engaged in steamfitting and engineering, and where I commenced to take Hood's Sarsaparilla for my rheumatism. It cured me not only of the rheumatism and sciatica, but also of outward piles, from which for thirty-three years I had suffered."

A Thousand Deaths. Previous to going to Denver I visited the University of Pennsylvania to be operated upon. The doctor pronounced my case elongation of the bowels and the worst he ever saw. He refused to perform an operation, saying that after having suffered so long, years, it was not worth while that I should die at that late day from the effects of the knife, and die I would if he used it.

No Man Can Conceive what I suffered for thirty-three years. I tried all sorts of remedies and treatments, often without the slightest relief. One elongation of Hood's Sarsaparilla not only relieved, but cured, both the piles and rheumatism. The doctor pronounced my case elongation of the bowels and the worst he ever saw. He refused to perform an operation, saying that after having suffered so long, years, it was not worth while that I should die at that late day from the effects of the knife, and die I would if he used it.

Hood's Sarsaparilla Cures. Only one of rheumatism which I feel now is a little stiffness when the weather changes, and as I will be 53 years old in August that is but incidental to my age. This is a simple statement of fact. JAMES R. BOND, 508 West North Street, Philadelphia, Pa.

Hood's Pills cure liver ills, constipation, biliousness, jaundice, sick headache, indigestion.

It never fails to cure—MANNERS DOUBLE EXTRACT SARSAPARILLA.

BUSY EVERY DAY!

THAT'S the state of affairs at Meyer's. You see we can much better afford to sell goods at 5 per cent profit, or at no profit at all, than to be idle. Stagnation means reaction. Activity, although profitless, means advance—push—energy—circulation of money. And that's the reason why, despite the lingering winter the sale of Spring Goods is now in full blast at Meyer's.

SPRING SUITS FOR MEN,

WINNIBLE—That which cannot be overcome—Weber. Apply this simple expression to our magnificent display of SPRING SUITS for men. Our showing is not only large, it is immense.

The style of every garment offered is perfect, the make and trim rival custom work. There's an infinite variety for choice in the material shown, comprising all the latest designs in both foreign and domestic fabrics. A mere mention of names of the materials used would more than fill the space at our command, while the enumeration would weary the reader.

New and nobby styles of both Suits and outwears, the fits of which no merchant tailor can improve upon. The price range is as wide as the goods, and no matter what you desire to pay for a Spring Outfit we can suit you in material, style and price anywhere between

\$3.37 AND \$15.00. \$8.56 This price usually buys a medium quality suit, but it's the unusual that occurs this season, and so \$8.56 gives you choice

now from a line of Men's Fine \$5 Suits, which a year ago could not have been sold for less than \$12 or \$14. Try it. At any rate see these new \$2.00 Suits. They're a revelation.

NEW SPRING SYLES OF CHILDREN'S CLOTHING,
