Coxey's Army is in Maryland. England is talking about raising the duty or tariff on cigars.

One of the wonders of the age is the fact, that the democrats have almost one hundred majority in Congress and seldom have a quorum with which to transact business.

The average democratic Congressman does not seem to know what he is elected to Congress for.

The democrats have almost one hundred majority in the lower house of Congress, and can't get a quorum to transact business.

Senator Hill, of York State, understands the views of the democracy of the North, on the tariff question, and has accordingly acted in the interests of the business of the north.

The democracy are talking about enlarging the power of the solid south by cutting Texas into four states, but the democratic leaders at Washington don't see that the north will be sold at the next election.

is particularly attractive when the trees and flowers with which its parks and squares are enriched are showing the first buds and blooms of spring. The excursion tickets, which are sold at \$9.00 from Pittsburg and proportionately low rates from other stations, admit a stop-off at Baltimore in either direction, and are valid for return within ten days.

Part of these died very soon thereafter of various contagious diseases before they had time to develop consumption; of the rest, killed four to six weeks after inoculation, three had tuberculosis. These three, however, were inoculated with sleeping car dust, taken not from the floor, but from the walls, cushions and ceilings.

Bacteria at the rate of 78,000 per square inch were found on the floor of a fourth class car, and 34,400, 27,200, and 16,500 per square inch on the floors of the third, second and first class cars.

Thus, even in the latter, the average passenger, who usually has at least half a compartment to himself, say 3,000 square inches of floor, has an army of 49,500, nearly enemies aiming at his vitals on the floor alone, to say nothing of other millions in front and rear, on both benches and overhead.

It would seem impossible to escape, but the board of health it is said to have reported measures for removing or reducing the danger, which the railroads are considering.

In addition to the special train the tickets will be good for passage on all trains of the 19th inst., except the Pennsylvania Limited.

Tickets on sale in Pittsburg, at Union Ticket office, Fifth Avenue and Broadway, New York, and Union Station, and at all stations mentioned above. For full information apply to Thomas E. Watt, Passenger Agent, Western District, 110 Fifth Avenue, Pittsburg.
