NORTH Carolina elected a republi can Legislature. THERE is talk of President Clevelaud issuing 50 million deliars more gold bearing bonds to get gold to

Treasury. Last week President Clevelynd offered his services to the Chinese and Japanese government as a mediator to settle tue matter in dispute and I ciose the war. What the President's I interference may do is hard to even I

keep up the gold supply in the

Southern leaders are now calling of F domocratic Congressmen a set of M cowards because they did not pass a free trade tariff law, and if the old S in Congress this winter they will pass a law of that kind. The recent election may scare them off.

ir is probable that the recent republican victory will halt the Cleveland administration on a further re duction of the tariff and that will steady the business from a further decline. However should the ad prices will continue to decline.

Hox. W. D. Byxun of Indiana, one of the extinguished lights of the democracy says the public mind is diseased and works. The line is 230; Huff over Meyers, 182; diseased, and needs rest. If Bynum Huff over Collins, 215; Mahon's ma had just gone a step further and jority over Smith is 206; Wilson's told the fact that it is the democratic imajority ever Sartain is 134: Will's party that has produced the state of majority over Jenkins is 147: Cal unrest by its tariff tinkering, he would have struck the nail on the head, but Bynum is the same man that he was when he promised the for Governor had 146 votes; Charles L Hawley, Prohibition candidate for Governor his district. farmers in his district \$1.00 wheat Governor had 77 votes; J. M. Burris, if they would vote for Cleveland. Prohibition candidate for Register Cleveland is only half way through with his term and the farmers cannot got a half dollar for their wheat, Jury Commissioner had 76 votes. and if Bynum, Wilson, Cleveland & Co., raise the free trade agitation winter, times cannot improve and the people will feel still more dissatisfied with the democrats.

Awful Fall-

Last Friday afternoon while Har ry and Keeley Saucerman and Ralph elected to the Legislature from Phil Grubb were painting the outside of adelphia. Everhart's steam mill, they met with Of the 204 members of the Pennthe death of all three. In order to elected only 28. get at their work it was necessary to Of the 150 members of the State put jacks out of the mill windows Senate, the democrats have only 7 and lav a ladder across two jacks to members. form a scaffold. The reach between | Singerly carried only 12 counties the jacks was entirely too long, and in the State. while one of the young men was in The republicans elected six of the

Solid Emery Wheels. In the production of solid emery

wheels the best cement that can be employed is one that binds the emery together with that degree of strength which will resist the centrifugal strain due to the high speed at which emery wheels cut best-about 5,000 feet speed per minute. It must not soften by frictional heat nor glaze nor burst nor become brittle and break with cold, nor must it hold the cutting grains until guidence they are too dull to cut nor receive them so readily as to waste away the wheel too fast. It must be capable of the mixed evenly with the grain emery, so that the wheel may not have either hard or soft spots and be out of balance, and must also be capable of being tempered to suit different kinds of metal or work. Great care and skill are required in the matter of selecting only pure and strong chemicals for these cements. - Cassier's Magazine.

HENCH & SPOMSOLD, War trs., YORK, P. \$3,000.00

If you want work that is bensant and profitable, send us your address immediately. We teach men and women how to cara from \$5.00 per day to \$3.000 per year without having had previous experience, and furnish the employment at which they can make that amount. Not ling difficult learn or that requires much time. The work is easy, healthy, and honorable, no dean be done during daytime or evenings, right in your own healthy, wherever you live. The result of a five hours' work often equals a week's way. We have taught thousands of both sexes and all ages, and many have laid foundations that valles used in this country owe their success in life to the start given them while in our employ year ago. You, reader, may do as well, it of You cannot full. No capital necessar: Well you with something that is new, solld, and sure. A book brinful of advice is free to all, I deliyour soit by writing for it to-uay—not to morrow. Delays are costly.
