# **FALL & WINTER STOCK**

Has been selected with especial reference to the needs of this locality extensive variety it affords in every line of goods-including the pick of the market in fresh fall and winter styles-will probably surprise all who see it. No less astonishing are the LOW PRICES put on everything. Owing to the hard times we have been able to purchase goods very much under market value and have embraced the opportunity. Our stock is now in good shape and is well assorted in all the following lines:

Huntingdon Journal. -The practice of bending pins and then putting them on a chair, or bench so that the point is upright, is a trick that should no longer be practiced among the young folks. In the Mc-Connellstown school the other day, a boy set one of those dangerous traps on the bench occupied by Bunn Johnston. When Johnston came to school, he sat down by his desk, but he had no sooner sat down than he sprang up and reached for the pin which was buried deep in his flesh. He pulled it cut, and when he went home his leg burt him so bad that he could scarcely walk, and the next day the wound was so sore that he forings, but nothing gave him rener. Finally his flesh grew very hard sroand the physic-an concluding it was bealed lanced to pay a fine of S18.00 and costs of prosecution. Commonwealth vs. William Long-New DENTAL OFFICE.
