Summer Outlings. City children should not be allowed, too much of the "running wild" busi-ness during their summer outlings. People have an idea that in the country one may do anything or eat anything with impunity. Laws for healthful living operate as much under the pines and by 'he sea as within the city limits, but not many realize it. Mothers often complain that they bring their children back in the autumn thinner than when they went away. They may do that and still have them stronger, but many times children are allowed to run too incessantiv. It takes a strong child to thrive on continuous exer-cise, and city children are not used to tramping up hill and down and over rough roads and fields. Make them stretch out under the trees or on the river bank an hour every day, and more if you can, and they will gain by it. Summer Outlings. Summer Outlings. Summer Outlings.
