Do you desire to pay off a mortgage and reborrow the money at 6 per cent. interest

could reduce the mortgage against your home by paying off a small amount mouth ly and at the end of each year receive credit for all paid? With interest being charged only on remaining portion of loan.

Would you like to buy your family a home? If so, read the following:

I represent a Company that has emboded in its plan all the features enumerated above and many more. Can you see any reason why you should pay a large interest for money when you have good security? Can you present any good reason why it is Can you present any good reason why it is not as well to receive profits yearly as to wait from 7 to 10 years as one does in many of the Associations? Is not the reduction of interest yearly better, than waiting many years for profits? Borrowers under the plan represented by me assume absolutely no risk as each \$1 #0 paid on the loan is credited on the mortegar thereby reducing it is on the mortgage, thereby reducing it in proportion to the amount paid.

Building Associations have benefited hundreds of thousands, so did the old cars that were propelled by horses. Our plan is as far superior to Building Associations as the trolley cars are to the old antiquated horse car system. My time is to much occupied to answer questions for the curious, but those seeking information for the betterment of their condition will receive, ful information promptly. We offer an invest-ment to those who have a small amount to Lack township.

DON'T BE BLIND. THERE'S CORN IN EGYPT YET.

We Lead:---LET THOSE FOLLOW WHO CAN-NOTICE!

THE WORLD STILL MOVES! WE ARE IN THE PROCESSION RIGHT BEHIND THE BAND. No honest man can sell Goods Cheaper than we can and

stay here. Our Goods are Arguments. Our prices are eloquence itself. Our aim is to make both Goods and Prices satisfactory every time. If you have tried elsewhere and failed, give us a trial and be convinced. We succeed where

others have failed. A FAIR TEST. - Call at every Store in town, then call on us. The just comparison you will then be able to make of qualities and price, will preacha far more foreible sermon than anything we could say. This is a fair test TRY IT. Then come and see the difference between dealing with live and dead men. Remember "no old stock" here. Yours, unbiased and without
