Mrs. Amelia E. Develing, died at the home of her husband, James W. Develing at Lock Haven on the evening of the 9th inst., aged 55 years. Mrs. Develing was in her usual good health when she retired that evening. But soon after retiring she complained of a peculiar ailment, that a daughter of the family, and she asked, "mother are you sick?" The mother said "no." Then there was another cough, and again the daughter asked, "mother are you sick?" Mrs. Develing said, "yes, I am sick." Mrs. Develing and all the family were called, and a doctor summoned, but within 20 minutes her spirit had left her tenement of clay and wingsed its way to the better world.

Some days ago while at dinner, Margaret Irwin, the three year old daughter of bank cashier T. V. Irwin, complained, and said a lump had lodged in her throat. The complaint of the child was immediately attended to and the throat was apparently cleared of all obstruction. But with all that she took sick and was afflicted with fever and cough, and at one time it was believed she could not live. She was under the medical treatment of her grand uncle, Dr. David M. Crawford. By skillful treatment whatever complications had arisen in the case disappeared, and the trouble in the throat alone remained to contend with. All the while the doctor apprehended that a foreign substance had been drawn into and lodged in the wind pipe in the taking of food. To definitely learn the trouble in the throat, an operation was determined upon. Last Thursday, Mr. and Mrs. Irwin and the afflicted daughter with Dr. Crawford went to Philadelphia, and on Friday afternoon an operation was made and a small flat piece of turkey bone five-eighths of an inch in length and three-eighths in width was discovered and removed from the throat from in number of the vocal cords. A silver tube was inserted, and the incision made by the surgeon's knife in the larynx was closed, close around the silver tube, which will be removed at the proper time, when the parts are healed. The child is doing as well as can be expected. The little patient still remains there, awaiting the healing of the wound and improvement before being brought home. Dr. Crawford, who has returned has the thin lamina of bone in his possession. We sincerely hope that the unfortunate little sufferer may be fully restored and spared to her anxious parents, relatives and friends.

"You Bet" Killed. "You Bet" the famous pasing horse, with a record of 2:05 1/2, died Thursday afternoon at this place on the river bridge. It is said the ruling passion of people is a strong in the last moments of their lives. So it was with "You Bet." He wanted to die, and went down in a wild runaway race with David Anderson on his back. The flyer belonged to William Murray and H. G. Patterson. On Thursday afternoon David Anderson rode the horse east of town for exercise. When returning to town the beast laid out a race for himself. He went like the wind. The boy on his back could not hold him. The best he could do, was to keep the beast in the middle of the road and shout to people to get out of the way. The clatter in the street brought people hastily to doors and windows only to see horse and rider in the distance like a phantom. Down Washington street and Bridge street went the horse and rider, the beast making 20 feet leaps every time. A miss leap on the canal bridge and the horse stumbled, but so great was the momentum at which he was moving, that he did not come quite down, but pitched forward into the river bridge where he struck an upright pillar and rolled over on the floor of the bridge with one side of his head smashed and broken front leg. The young man Anderson was thrown as if from a catapult, but fortunately was not hurt. The career of "You Bet" was over. The beast was shot to put it out of misery.
