B. F. SCHWEILER, EDITOR AND PROPRIETOR.

## ARMENIANS MURDERED BY TURKS.

The outrages committed by the Turks on the Armenians in 1895 and 1896 is dreadful, almost beyond belief. The outrages reported are: Killed, 30,601; burned to death, 1,436; preachers and priests killed, 51; died from starvation, 2,461; died unprotected in the fields, 4,340; died from fear, 650; wounded 8,000; houses burned, 28,542; forcible conversions, 15,066; women and girls abducted, 5,545; forcible marriages, 1,551; churches burned, 227; destitute and starving, 94,750.

## FLORIDA.

PERSONALLY CONDUCTED TOURS VIA PENNSYLVANIA RAILROAD.

There is no doubt but that every one has had at some time a desire to visit Florida, the "Land of Flowers," and that many have been deterred from so doing by the thought of a long and tiresome railroad journey, great expense, and a thousand and one other objections. These have been overcome by the inauguration of the Pennsylvania Railroad Company's personally conducted tours to Jacksonville. A special train of unexcelled equipment makes the run from New York to Jacksonville in thirty hours; a tourist agent and chamber accompany each tour to look after the comfort of passengers en route; and the low rates of fare bring the tours within the means of almost everyone.

The tours, allowing two weeks' stay in Florida, will leave New York and Philadelphia on February 25 and March 3, 1856. The rate, including transportation, meals, en route, and Pullman berth on special train, is \$50.00 from New York and \$48.00 from Philadelphia; proportionate rates from other points.

For further information apply to Ticket Agents, or address Tourist Agent, 1196 Broadway, New York, or Room 411, Broad Street Station, Philadelphia, to whom application for space should also be made.

## CALIFORNIA.

PERSONALLY CONDUCTED TOURS VIA PENNSYLVANIA RAILROAD.

So beautiful is the scenery of California that Nature must have expended more than her usual energy in its creation, and especially is this during the months of March and April, when the rainy season has past and flowers bloom everywhere. Fortunately, indeed, is the person who can exchange the wintry climate of the East, for the flower perfumed and healthful atmosphere of California, and no better method for doing this can be had than by participating in the second "Golden Gate" tour, organized under the perfect personally conducted tourist system of the Pennsylvania Railroad Company.

The tourists will leave New York and Philadelphia, March 11, 1856, and return to those cities May 7, allowing four and one-half weeks in California.

A new feature to the magnificent train used for these tours in previous years is a thorough Pullman compartment car.

The car, which will be the very best that the Pullman Company can supply, will contain nine inclosed compartments—two drawing rooms and seven state rooms—and will be attached to the special train at Jersey City and run through to San Francisco.

Applications for space or itineraries giving all information should be made to Tourist Agent, 1196 Broadway, New York, or Room 411, Broad Street Station, Philadelphia.
