Reuben Moist was a candidate for Overseer of the Poor in Walker township, at the late election. He was Overseer last year. At the election, he was surprised how the Moffitt case was worked against him. Notwithstanding the fact, that from the nature of the case he was compelled to take charge of the child, that was heartlessly abandoned on Mrs. Thompson's property, and diligently endeavor to discover the heartless parents, he was accused of meddling interference in the case. To such an extent, that it cost the township two hundred dollars; that he had charged the township, one hundred dollars for providing for the baby the one day that it lived; that the Moffitt had sued him for five thousand dollars damage, and had sued Walker township for nine thousand dollars damage; that he had brought all that financial work upon the township, by the suit against the Moffitt, and therefore he should be defeated. If the 9 and 5 thousand dollar damage items, and the one and two hundred dollar cost items, and the suit of the Moffitt and the meddling interference in the case are left off. The balance of the report is not far from the truth.

The McClintic Hardware STORE. NO. 119 MAIN STREET, MIFFLINTOWN, PA.
Hardware THE HARDEST WAY POSSIBLE to get along in the world is to buy 'real cheap things. As a rule, the less you pay, the more it costs in the long run.
We don't boast of "cheap" prices at this Store, and still quality considered, we sell at prices that ought to interest careful buyers.
COOK STOVES. We control the Sale of **RAYMOND & CAMPBELL** cook stoves in this county. We have never heard a woman complain who bought one of these stoves. Every buyer has agreed on four things:
The Stoves Cook better, they bake better, they are easiest to regulate, and are less trouble than any other stove.
We have them in four sizes. Prices range from \$15.00 to \$28.00.
EVERY WOMAN KNOWS how easily things get "scratched up" around the house. Sometimes it's a chair or a table or a door. More than half the time, the scratches are neglected, because it seems hardly worth while to send for a painter.
Why not do the work yourself. You can
Get Prepared Paints all Ready to use at a trifling cost. You can brighten up furniture, doors, flower pots, buggies and all other things.
We keep these prepared paints in all the colors. And we sell paint brushes, too—good ones.
The paints come in tin buckets, holding 1 P. The price is 15c.
K. H. McClintic.
