REPUBLICAN COUNTY

CONVENTION.

The republican county convention convened at 2 P. M., on Monday, in the Court House, to count the vote cast at the primary election on Saturday and announce the result. The attendance at the convention was the largest and most enthusiastic known in the history of the party. There were 1968 votes cast at the primary, which is the largest number of votes ever cast at a primary election in Juniata county

The convention was called to or-der by W. H. Kauffman the outgoing county chairman. Joseph Sieber nominated William Hoops, Esq., for President of the

The Republicans of Juniata through their representatives in Convention assembled congratulate the people upon the near approach of the presidential election. Under three years of Democratic administration we have seen the figureial condition of the country grow worse and worse; a new debt or more than three hundred millions of dollars has been imposed upon the Nation in a time of profound peace and stands as a monument of the incompetency of the Democratic party. In the last three years we have seen the value of our farm p operty cut in half, the prices of our farm products diminished, and prosperity driven from the farm, the factory and the stores of our business men. Thousands of industrious men have been forced into idleness and most prudent. We have seen brave Resolved that Hon. Wm. by a hostile administration.

We want foreign markets for our products to be secured upon the lines of the masterly policy of Blaine and adequate protection to our manniacturers, which will build up our own establishments instead of the present free trade policy of the Democratic party which builds up the manufacturing establishments of F. Brent. England and gives to foreign laborers the employment which legitimately belongs to our own citizens.
