The house and lot of Absalom Rice opponent; but, to his evident astonishment, the other, without trying to evade the rush, met it with a blowfuil on the chest which resounded through the stadion. Glankus' career was checked, but Xenobles, not satisfied with this, now sprang forward and struck again and ing advantage of an open guard, brought his rival to earth.

The Messenian was on his feet almost as soon as he touched the ground. The combat was no longer tame. Both men were wounded and bleeding, but they came together like raging bulls. Their great arms swung through the air, raining down blow after blow, while

"Will not your Alyte interpose?" exclaimed the Mede.
"The rules forbid it," said Evander, but whoever kills an adversary loses his crown. Ha! That was too much for

the Messenian. See how he sways and drops his hands!" "Now, Glaukes, now!" screamed the growd "Strike ere be recover!" But the wary Krotonian paused to watch the effect of his last blow. He

knew that the limit of human endur-

ance had been almost reached, and he

wished to conquer with as little dauger to his foe as possible. "He has judged well," said Evander as the Messenian sank down. "Glaukus won victory."—"A Day at Olympia," by Duffield Osborne, in Scribner's.

### A WINDOW IN BERN. How the Swiss Muldens Pars Many a Pleas-

ant Afternoon. The wide window sills on the third floor are laid out, not for flowers, but, in no less characteristic Bern fashion, for human occupation. A stout iron rail rans, at a comfortable height for resting shoulders, round the ledge, on which liv red cushions. Settled in a corner of thi high perch sits a young woman, like hundreds of her fellow townsfolk, looking down upon the world, knitting,

That brown haired young woman, for instance, would be hard put to it to live at all without her window cushions. She is an inveterate chatterbox, but it is difficult to be hard on her when one When the conductor came through, he overhears her rapid French, her laughlow. She is a Neufchateloise or a Genevoice, and the words run off her tengue right prettily, in contrast to the brusque sound of the quaint Bern-Deutsch. She young man engaged in a second floor borean. He appears at the window usually when the singing begins. She has been seen to scatter crumbs from the

that the conductor, after thinking very dent lears far out, to look at the window bard for a moment, signed and passed on.

The woman did not wear bloomers nothing there is novel-but some familif it were a novelty—a box green with garden herbs, parsley, thyme, mint and marjoram, two or three pois with commum cuttings.-Speaker.

One Correct Answer. An amesing little story was told t good many years ago in connection with Twenty-eighth, Joseph C. Campbell, stepped up to me and said he would with the center of the city. It starts Governor Mattex of Verment. At one time he was chairman of the committee appointed to examine candidates for admission to the bar of Caledonia county. He reported that one of the candidates

was, in his opinion, unqualified, having answered correctly but one of the ques tions put to him. "Only one? Well, what was that?" asked the presiding judge.

"I asked him what a freehold estate is," replied Mattox. "Important question," said the judge "And what was his reply?" "He made it without the least hesitation," said the chairman, with a twin-

"Well, what did he say?" asked the judge, with some impatience. "He said." returned the chairman "that he didn't know."-Youth's Com-
