No Cuban Stamps Through the Maile. WASHINGTON, Jan. 19.-The recent claim of the Cuban junta of New York that letters bearing the new Cuban stamps have passed through the United States mail has called forth a denial from Postmaster Dayton, of New York. In a letter to the Washington postal officials he says that no envelopes bearing stamps with the in-scription "Republic of Cuba," or otherwise purporting to be issued by the Cuban Insurgents have gone through the New York postoffice. The issue has never been

raised, but it is looked upon as likely that mail bearing Cuban stamps would be treated as unstamped, and the full postage collected from the receiver.
