Mrs. Bradley Martin of New York city, has invitations out for a fancy dress ball to take place at the Walruary. Rev. Mr. Rainsford of St. zess of life is carried on, that is sup-George's church, has declared against posed to come by nature, or instinct, or the ball, because the times are bard, miracle, but never by teaching. and such extravagant amusement has A cultured lady, a literary woman, ing denounced the amusement of dollars, and whoever gets the money is benefited by it, and that a ball of the magnitude of Mrs. Martin's bail mind before he is taught very well, but treated. will put a considerable amount of perhaps "and no language to think it mency in circulation, and that there in should be added. Let the reader in should be added. Let the reader try for himself and see how much conis no moral extravagant difference be- try for himself and see how much contween the splurge on a five dollar bill secutive thought he can accomplish and a thousand dollars. The only difference they say is in the amount difference they say is in the amount difference they say is in the amount of dollars spent, and that five dollars spent in a splurge will not help as many people as a splurge on a thousand dollars. So the probability is that Mrs. L'artin's ball and the preacher's criticism will open a question for a great deal of newspaper writing and sermonizing before the winter is over.

### The Murder of Henry.

This community is taking a good deal of interest in the trial of Dr. Johnston in Bloomfield, for the mur der of druggist Henry, who the Dr. Johnston's wife. There is no quesjury can be made to believe one of druggist and Johnson's wife. Up to camp. on the stand and confess to improper intimacy between herself and the druggist, there is the greatest probes. The findings bunt and then eat the meat before they hunt again. They have a devote to bail purposes the capital might be advantageously used in the purchase of the devote to bail purposes the capital might be advantageously used in the purchase of arms and ammunication.

The resources of the Cubans, however, druggist, there is the greatest probability that the jury would acquit the deeter, taking the ground that the dream of such liberties were provocation of such liberties were a sufficient and justifiable course for the shooting, but as above stated there seems to be no indication what- but, like a man of true taste, he wrote death of Macco than before from all over nate herself, and she must be per- That beautiful dedication beginning. senally free of such intent when the lawyers for her husband have put in his writing which will be most often lawyers for her husband have put in the plea of insanity for him.
