ard in your course you fly, To the valley lying nigh!

Be thy bed of stones or moss; Or where thickest branches toss. Let the strength be sent across,

Let no obstacles strew thy way; That thy path may go astray, Which we love to meet each day?

Glide then through the woody dale, Where the winter breeze is stale. And the bawthorne hedge would fail!

Into darkest places steal, And the thirsty flowers heal; Or with other treelets deal!

Where no sunlight can be seen, Besutiful to thee must seem. Like a playful child in dream

Through the meadow where the hav Lius in clusters thick and gray, This is where you love to play.

Gliding to the river bank, And with larger brooklets rank, Or with other streamlets flank!

To the river far and wide. Where thy course is lost to sight, This, Oh brookle!! is thy flight, SALAMUS COLONA.
