BICYCLE NOVELTIES.

Wheels of Queer Designs and a Chainless Machine. At the recent cycle show held in London several novelties in bicycle construction were exhibited.

The change in the method of propulsion does away with the chain. The novelty which is called the hantastic, but differs in no respect from the

A NEW TRIANGULAR MODEL. Next month a New England firm has produced a model with a triangular frame for the '97 market which will prove a decided innovation.

A NEW CHAINLESS DEVICE. Slanted crank wheel actuates two connecting rods, which will give three revolutions of the driving wheel for each full turn of the pedals.

NOVEL LIGHT WEIGHT BICYCLE. Has been built. The frame is constructed on the cantilever principle, and consists of twenty-one perfect triangles.

Nonense About Tomatoes. An idea has gained currency during the past few weeks, and that is to produce or encourage the terrible disease of cancer, and at long ago it was also stated that the use of this vegetable had been forbidden at the Cancer Hospital.

Just before Washington's departure from Philadelphia to take command of the Army at Cambridge the members of Congress gave a farewell supper at the City Tavern in his honor.

The Yellow River is styled the 'Sorow of China.' It is estimated that its floods in the present year have cost China 11,000,000 lives.

General abstract truth is the most precious of all blessings; without it man is blind—it is the eye of reason.

You may call it a weakness, but I thank God that tears come to my eyes so easily.

REV. DR. CALMAGH.

The Eminent Divine's Sunday Discourse. Subject: 'The Triumph of Sadness.'

Text: 'Thou wast in the night by the sea, and when the watchman turned back, and entered by the gate of the valley, and so returned.'—Nehemiah II, 15.

A dead city is more suggestive than a living one. The walls of Jerusalem were a dead city, and the walls of the city of the living are a living city.

Washington Irving describes the Antislavery movement as an enchanted scene, as amounting to an enchanted scene. The tower of the city of the living is a living city.
