Coasting craft steer by the line of white surf on the shore or in thick weather by its roar as it breaks the beach or rocks. The color of the beach or rocks. The color of the catch the sound, then keep our months of the color of the catch the sound, then keep our months of the color of the catch the sound, then keep our months of the color of the catch the sound, then keep our months of the color of the catch the sound, then keep our months of the color of the catch the sound, then keep our months of the color of the catch the cat tant for the occasion. That furnished additional gratification. The parade had the magnificent splendor that only a dress parade can have, and the sclematity of this occasion was vastly increased by the reflection, not to be dismissed, that many of those among regiment and spectators were seeing each other for the last time on earth. The band played as though speaking our last farewell to our friends. Every one, I am sure, was deeply impressed. It was at this time that the dear girl had her first and last

view of me in my captain's uniform. Officers to the front and center March!' I ordered, with all the dignity I could assume. As they reached the center they saluted me.

" 'Sir, the parade is formed,' I said, saluting the colonel. "The colonel returned as grave a sa-Inte as he had received and put the regiment through the manual of arms. Meantime I marched a few paces be hind him, turned squarely and took position almost within arm's length of the dear girl. There I stood at parade rest, with my back to her, until the regiment wheeled into column to march off the field. At that juncture I took command of my company and went with it aboard an Illinois Central train.

Between the dear girl and myself there passed no word. "A few months passed and I received a slight wound. The circumstance was mentioned in the Chicago papers. Then, for the first time after my departure from Chicago, the dear girl wrote me a of regret for our misanderstanding, hopes that my wound would not prove serious, assurances that she never could have doubted my ability and requests for forgiveness for her mistake. I answered it, and harmony was restored. "At the close of the war I at once sought her," the colonel added, "and found her—already married. "—Chicago Times-Herald.
