upòn mournful, irritating or unfortubefore the allotted hours for repose have passed, his best plan is not to lie awake in bed in the dark staring vacantly. To persons who make the greatest The oversensitive mind conjures many number of words of the phrase, gloomy thoughts at this time in the deep, still darkness of the night, when ceased their distruction. These cases

can be successfully treated at home, 0:4.1-97 and not by drugs. Have a night table imady, light a candle, arise, throw off and air the bed clothes, sit up, with a convenient wrapper around you, in an asy chair, having first thrown open a door or window to completely change pany announces that the through the vitiated air of the room. Of course one must have a chamber to himself to do this. All the conditions external being changed will tend to produce a change of those internal of the body-

able interval one can again close the

retire to approaching slumber. This was the method of Benjamin Franklin, who had a large, active brain, filled with multitudinous private and public affairs, during a long and active life, and he found it to succeed. (See his held at Newport, Pa., September 22. autobiography.) Different remedies will suit different constitutions. The same will not do fer all alike. Each person must study his own case, the moral and serves and induce peaceful repose .- and Watkins returning. lames M. Loring in St. Louis Post-Dis-

UNNECESSARY HEROISM.

A Connecticut Man's Experience With

Substitute Bathtub. One of the most ridiculous situations and of 36 pieces will furnish music which at the time bring the coldest for the occasion while the visitors are sweat out on a man's brow and ever inspecting the display of farm prod after remain with him as a constant tels and examining the fruit and veg. source of mirth occurred to a Shelton etable displays. A poultry exhib bath, and as his flat is minus one of the merchant. He thought he would take a it is promised, and the program of chief requisites for the job-a bathtub amus ment is varied and large. -he extemporized one cut of a small There will be fine displays in Floral washtab and enjoyed a cooling ablu-

He had just "t -- bried and stepped from the tub for the towel, when suddealy the top heep of the tub burst with sharp report, and the man saw to his horror that the whole contents of the tub would seen be flooding the floor. At the same moment he thought of the store beneath and the amount of damage the water would do as it ran down September 17 .- No. 4 240 class, through the ceiling. He is a man of quick thought, and in a moment he did the only thing possible-threw himself down beside the tub and, clasping his No. 6 running, half mile heat, arms around it, held the already fast swelling staves together. He was succossful in keeping the water in-but what a situation! He dared not yell, for he was harely in a condition to receive callers, especially as he knew that all in the block at the time were of the gentler sex, and he realized at once that the only thing left for him was to stay in that position until the return of his wife, who was out on a shopping expe-

Like the boy who saved Holland, he manfully remained in his most uncomfortable position until relief in the shape of his wife appeared. Then, to cap

mm! He dressed hisself from top ter toe He give his boots a extra slow, His dickey glistered like the snow, He sticked his hair exactly so, An all ter indicate "his passion." He tried his hall three ties afore He kep the one on that he wore.

HER!
All afternoon she laid abed
Ter make her featur's brighter,
She tried on every geom she hed,
She rasped her nails until they bled,
A dozen time she fuzzed her head,
An put on stuff to make her whiter,
An fussed till she'd a cried, she said,
But that 'ld make her eyes so red.

They see tegether in the dark Tthout a light, except their spark.

An neither could have told or gnessed

What way the other un was dressed!
