This is due to the air being less vitiated and the temperature more even.

A crocodile takes 80 seconds to turn completely round.

MINERAL WATERS.

Why and How They Benefit Those That Drink Them.

When a patient reaches a mineral water health resort, he is examined by WAY YOU SHOULD USS the resident physician and ordered to drink certain quantities of the water at **Scott s Emulsion** certain times during the day. These are its effect with stamps which did not | increased from day to day until the POod Liver Oil maximum quantity needed is reached. He is ordered to drink one or two glass fuls upon rising, two or three glasses

between breakfast and dinner, the same quantity in the afternoon and a couple of glasses before going to bed. The parowing relatives of Plantus-whom, it tient is urged to take it whether he is alleged, he killed-that it was only wants it or not. He may say that he is ence; he must take it as a medicine. The quantity is increased until we have known 30 glasses per day to be taken. A part of the benefit derived is because of the rest and change of. scene,
