LA FORMA. The Bressmaker's Helper.

Of all the different specialties put forward for dry goods stores to sell, not one of them did what La Forma does, namely, make easy work for the dressmaker in the most important thing she has to do-fitting the waist perfectly.

It is said that only a man tailor could make a tailor-made custom right; that theory is wrong, Any dress-maker can use La Forma and make a perfect-fitting tailor.made waist.

With La Forma in a waist there isn't a crease or wrinkle; the waist fits and you know what that means to a dress-maker and to her customer

La Forma is perfectly adapted to silk and fancy waists or those made over a foundation. It makes any style of waist

La Forma is canvas and hair cloth, cut, moulded and patented; the user has only to follow instructions. Try La Forma in your next waists; your friends will compliment you
