The social event of the season, was the celebration of the 28th anniversary of the marriage of Mr. and Mrs. George Wilson, at their home, in Patterson, on the evening of the 10th inst. Between one and two hundred guests, were present, some from Dauphin, Perry, Huntingdon, Millin, and Blair counties. One daughter, Miss Maudie Wilson, graces the family home, and she with her father and mother received the guests. Miss Susanna Rothrock of New York stood with Mr. and Mrs. Wilson, and daughter, during the reception. P. M. M. Pennell, Esq., made a speech appropriate to the anniversary and the social occasion. Refreshments were served and time passed rapidly amidst the agreeable surroundings and it was midnight before the company realized it. All were highly delighted with the occasion. Day light found a number of the guests wide awake in their homes, they not having slept, but lived over and over as the night passed the agreeable scenes and social incidents of the occasion. The Squire, and Mrs. Wilson, and their amiable daughter, have the best wishes of every individual member of the company and all wish Mr. and Mrs. Wilson a long life to celebrate many coming anniversaries of their prosperous and happy married life.  
Bloomfield Times.—Rev. Edward R. Miller, a former resident of Dan-cannon, is in jail in Lancaster charged with adultery. For some time past Rev. Miller has been charging the look at the Rescue Mission in Lancaster, and while he was ministering to the spiritual wants of the unfortunate who came to the Mission, he was also charging attentions of another kind.  
Mrs. Elmira Bretz, the wife of Henry Bretz, of New Cumberland. He finally induced the woman to leave her husband and children on the pretext of going to visit her mother, but instead of doing so she came to Lancaster county and for several weeks had been living with Miller and his wife, at Millersville.  
Mr. Bretz, the husband, discovered his wife's infidelity, had a warrant issued for the arrest of both her and her ministerial lover. They were taken into custody at Lancaster one night last week as they stepped from a train on the Reading Railroad, and locked up.  
At a hearing before an alderman on Friday both were remanded to trial on a charge of adultery and in default of bail were committed to jail. Miller has a wife and family. The Rescue Mission now has another superintendent and is again doing business at the old stand, but its pious members are not overworking themselves to "rescue" their former "shining light".

On Tuesday afternoon Hon. Martin Bell, President Judge of Blair county occupied the bench to hear argument in the matter of the application of Levi Goshen to be discharged from jail where he has been for more than a year. Goshen was placed in jail for contempt of court, in not paying over to the proper parties the monies he had received as administrator of the estate of his father Henry Goshen deceased. The Court after hearing a brief argument made an order that if Goshen do furnish security in the sum of \$300 to not leave the jurisdiction of the court, he should be discharged from jail. It was understood that he was to pay the sum of 10.00 per month to his bondsmen who lost so heavily by his default. In case he does not pay \$10.00 per month he will again be committed to jail. Goshen raised the security called for and was discharged from jail on Friday evening.

## How to Prolong Life

No man or woman can hope to live long if the Kidneys, Bladder, or Urinary Organs are diseased. Disorders of that kind should never be neglected. Don't delay in finding out your condition. You can tell as well as a physician. Put some urine in a glass or bottle, and let it stand a day and night. A sediment at the bottom is a sure sign that you have Kidney disease. Other certain signs are pains in the small of the back—a desire to make water often, especially at night—a scalding sensation in passing it—and if urine stains linen there is no doubt that the disease is present.

There is a cure for Kidney and Bladder Diseases. It is Dr. David Kennedy's Favorite Remedy. It has been for thirty years, and is today, the greatest and best medicine known for these troubles.

MR. WILLIAM W. ADAMS, cor. Jefferson Avenue and Clifton Street, Rochester, N. Y., says:—  
"Three years ago I was taken with Kidney disease very badly; at times I was completely prostrated; in fact, was so bad that a day was set for the doctors to perform an operation upon me. Upon that day I commenced the use of Dr. David Kennedy's Favorite Remedy, and it was not long before I was entirely cured, and I have had no return of the trouble since. My weight has increased, and I never was so well as I am now. Dr. David Kennedy's Favorite Remedy saved my life."

Favorite Remedy acts directly upon the Kidneys, Liver and Blood. In cases of Nervousness, Dyspepsia, Rheumatism, Ulcers, Old Sores, Blood Poisoning, Bright's Disease and Female Troubles it has made cures after all other treatments failed. It is sold for \$1.00 a bottle or drug stores. A teaspoonful is a dose.

Sample Bottle Free! Send your full postoffice address to the Dr. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention this paper, and a sample bottle of Favorite Remedy will be sent free. Every sufferer can depend upon the genuineness of this offer, and should send at once.
